VOLUME NUMBER XXXIX. CANYON, TEXAS, THURSDAY, OCTOBER 3, 1935 NUMBER 29

LOCATION NEW POSTOFFICE UP TO WASHINGTON

Inspector Spends Two Days in Inspecting Offers for the New Building Here

MAY BUILD SOON

Looked Upon As Relief Measure—Architects In Washington Asks For Information

Selection of the site for the new postoffice building in Canyon will be made within a short time by the postoffice department at Washington.

D. C. Jernigin, postal inspector, completed his investigation Friday and mailed his report to Washington, having spent two days in Canyon viewing the various sites offered, and interviewing the owners of the property and the business men.

"I am not at liberty to state the site or sites which I have recommended to the government," stated Mr. Jernigin. "However, I have never been turned down upon a recommendation which I have made."

Mr. Jernigin was asked the type of business and the probable time required to get work started.

"This is the first time I was ever sent out to inspect sites without having been given the amount of money available for the site, building and equipment," stated the inspector. "In regard to the time necessary, I am of the opinion that the present buildings are classed as work-relief projects, and will therefore be rushed as quickly as possible."

Mr. Jernigin stated that under the old order of building postoffices, after the inspection was made it might require several weeks for the department to make the final selection. Then would come the problem of getting the

Cold Weather Hit This Section As 37 Above Reached

Panhandle folks received the first touch of winter weather last week, as the cold norther drove the temperature downward.

The lowest point was 37 degrees above zero Saturday morning. A light frost was reported in various sections of the Panhandle, which did considerable damage to feed crops. Many row binders are running this week, cutting the grain which was nipped by the frost.

No rain fell in spite of the continued threat, with mist in the air for several days.

The temperature moderated Sunday, and fine fall weather has continued this week.

Bills Scattered Around Mail Boxes No Aid Advertisers

What good is to be derived by the advertisement which does not reach the buyer?

None whatsoever.

Advertisers may think they are "covering" the trade territory by sending out bills to boxholders.

One day last week the floor of the postoffice was covered with such bills, and the trash can run over with bills thrown away by boxholders when received through the mail.

The lawns and streets of Canyon are littered weekly by bills which are thrown around the town. Not fifty per cent of them ever reach the buyers.

Out in the country along the rural routes, the advertiser will find his bills thrown out of the mail boxes without being opened. This may be seen along the six rural routes which cover Randall county.

The newspaper is a welcome visitor into the home because it carries news in which the people are interested. They read the news; they read the advertising; they patronize those who make possible the distribution of news to them.

Advertisers should center their advertising on the newspaper. In Randall County it is The Canyon News.

Bargain Days on Subscriptions to Save Money

Subscription bargain days are here again.

The News will be offered in combination with the daily Newspapers at very attractive subscription rates.

Bargain days will continue until the first of January, but those who subscribe now will have their time extended from the expiration date.

Call at the News office and you will save money on your newspapers and magazines for the coming year.

Marvin Jones In Talk Defends All Roosevelt Acts

Wrote Major Agricultural Program and Defends Changes Made in Government

Congressman Marvin Jones defended AAA and the acts of the Roosevelt administration at the chapel period of W. T. Thursday. A large number of citizens of Canyon joined the faculty and students in welcoming Mr. Jones on his visit to Canyon.

As chairman of the Agricultural committee of the House, Mr. Jones wrote most of the bills affecting the farmers, in which he sought to bring authority of administrating the allotments to the counties rather than center authority in Washington.

Mr. Jones is author of the farm credit legislation, which has cut interest rates to farmers nearly half.

Throughout his talk, the Congressman defended the actions of the President in various matters, and referred to the criticism that had been directed at attempts which have been made to change the constitution to meet the needs of the present day.

"The government is about 25 years behind the changes which have been made in business," stated Mr. Jones. He could see no violence in bringing the functions of government in line with other changes which have been made.

"Every citizen is a stockholder in this government," stated Mr. Jones, in appealing to the students to make a complete study of the government, its functions and its benefits to the people of the nation. Loyalty is the most important thing, whether it be among the employes of a business, or the members of a government.

"I believe in the United States, because I believe in the people of this nation," stated Mr. Jones in summing up the improvements which are being made in this nation, and the possibilities of greater improvements in the future.

Mrs. Pat Whittington and baby Jean, accompanied by Mrs. J. O. Whittington of Amarillo, left Tuesday morning for San Antonio where they will visit before returning to their home in Longview.

Miss Celestine McGee of Los Angeles is home for a short visit with her parents, Mr. and Mrs. R. McGee.

WPA Hopes to Get Work Started Here

Money Set Aside on New Work Which Will Be Determined During the Week

"We are expecting approval of Randall county's project daily," stated A. A. Meredith, district director of WPA, yesterday in a long distance call to the News. R. W. Willis, supervisor of projects, stated last week that the approval would surely be received by the first of October.

Acting for the Randall County Planning Board, Clyde Warwick, chairman, and C. L. Thompson, secretary, signed the final papers Monday of this week which will authorize work to start as soon as approval has been received from the state office in San Antonio.

WPA will put 121 men to work in Randall county as soon as the projects are received.

Mr. Meredith has alloted to Randall county $67,529 on projects which have not yet been determined. This money was made possible by an allotment to Texas of funds which would be worked out between the County Planning Boards and the District Director.

"I shall be in Canyon with Mr. Willis in a few days to set up these projects," stated Mr. Meredith.

No work will be possible in the county until the projects are set up.

Klansmen Parade in Canyon Saturday p. m., From Amarillo

Fourteen members of the Ku Klux Klan paraded around the square of Canyon Saturday night about 9:00 o'clock, riding in five automobiles. The lead car bore a large illuminated cross and an American flag.

The men wore the robes of the order, but did not have their faces masked.

The cars stopped on the north side and the members mingled with the crowd on the street for a few minutes before returning to Amarillo. A number of the men in robes were recognized by Canyon citizens.

A parade was recently held in Amarillo, but no further activities of the Klan has been heard of in this section.

Wheat Meetings are Being Held During Week Over County

District meetings to discuss the new wheat contracts are being held in Randall county this week, conducted by County Agent W. H. Upchurch.

Large crowds attended the meetings at Umbarger Tuesday night and the one held at the court house last night.

The meeting today will be held at the Park school house.

Districts 8 and 9 will meet at Trigg Friday night. The last meeting for districts 3 and 5 will be held at the court house on Monday night at 7:30 o'clock.

Mr. Upchurch states that all wheat growers are invited to attend these meetings, whether they are past contract signers or not.

Error Made Wheat Allotment Story In Last News

A misunderstanding of the provisions of the new Wheat Allotment Program was caused by an error in copy for a story in last weeks paper in which it was stated that the amount to be seeded for 1936 under the new contract is to be 85% of the base. This should have been 95%.

The **minimum** acreage required to be seeded is 54% of the base and the **maximum** acreage allowed is 95% of the base.

Allot Historical Funds Next Monday For the Centennial

Lieutenant Governor Walter Woodul announced Tuesday in Austin that allotment of the historical funds would be made next Monday by the Centennial Commission at its meeting in Austin.

The Commission has $575,000 state funds and $200,000 federal funds to distribute for the marking of historical spots, and for other improvements in connection with the Centennial to be staged next year. Requests have been filed for more than $3,000,000 by cities in various parts of the state.

The Panhandle-Plains Historical Society seeks funds for the improvement of the Museum building and equipment, and for marking historical spots in the 31st senatorial district. No indication has been made as to how the funds will be distributed, but the committee in charge has been working on the problem for more than three months.

Nelson Elected to Senate From South Plains District

G. H. Nelson of Tahoka, district attorney, was elected Saturday to the state senate, filling the unexpired term of Arthur Duggan, deceased.

In the race Nelson defeated former-senator Pink Parrish of Lubbock, Jess Mitchell of Muleshoe, B. Reagan of Big Spring, and W. H. Evans of Lubbock.

Guests of Mrs. J. M. Legg this week were Mrs. Parker and Mrs. Hazel Legg of Colorado.

George Archer spent Sunday in Bovina with friends.

Results of Dairy Organization Is Given In Report

Seven Years' History Reviewed Tuesday at the Meeting Held of the Association

At a meeting of the Randall County Dairymen's Association held at the Zita school house Oct. 1, a review of the past seven years of the organization's history was given in a paper by County Agent W. H. Upchurch, outlining the benefits of organization to the members from which the following excerpts are taken:

"In an organization such as this where demands are never made beyond what is fair and just, where often less than justice is accepted because of necessity, the public cannot have other than the highest respect for the efforts of the group as a whole.

"Organizations founded on radicalism have been consumed by the fires created by friction within the ranks of its membership.

"Organization founded on a spirit of mutual helpfulness, will live and prosper in exact proportion to the time and effort expended by the members toward the common good.

"A brief review of the past performance of the Randall County Dairyman's Association will illustrate the importance of co-operative effort as contrasted with the old idea of 'every man for himself.'

"The Association was organized

(Continued on last page)

Dorothy Zachry 12, Dies in Amarillo Hospital

Dorothy Zachry, 12 year old daughter of Mr. and Mrs. E. N. Zachry of Canyon, died yesterday morning in an Amarillo hospital following an operation.

Funeral services will be held at 4 o'clock this afternoon from the Baptist Church with Rev. J. R. Hicks officiating. Burial will be in Dreamland Cemetery.

Pall bearers will be Barnett Ball, Glen Burrus, Henry Campbell, Billie Black, Glen Campbell, and George Mayfield.

Besides her parents the girl is survived by four brothers, Eugene, Deels, Clarence and Blake; and by four sisters, Mrs. C. M. Davis, and Mary, Norma Zell and Imogene Zachry, all of Canyon.

Mrs. R. J. Bowman and son of Los Angeles are visiting at the parental W. H. Neal home. Mrs. Bowman will be remembered as Miss Florence Neal.

City Officials Request Weeds Be Cut in the City

Cut the weeds in Canyon.

City officials requested yesterday that a thorough clean up campaign be started by all property owners in order to have the town clean for the fall and winter.

Thousands of visitors will be in Canyon during the fall, and the very best impression should be made during their visit.

A clean up campaign is very vital just now in order to make the best impression on these visitors.

John R. McNeil Killed Tuesday In Truck Smash

Local Man and Dimmitt Citizen Die as Result of Head-on Collision on Highway

John R. McNeil of this city was killed instantly Tuesday afternoon just south of Amarillo when his truck collided with a truck driven by F. H. Bostick of Dimmitt. Both drivers were killed in the wreck.

H. H. Horton and J. Arch Johnson were with Bostick and both were seriously injured.

All four men are well known in this section.

The McNeil family moved to Canyon this fall from their farm in the Wayside community to take advantage of the schools.

Mr. McNeil was driving toward Amarillo with a cow and calf in his truck. In making a curve in the highway the two trucks collided head-on, both being almost completely wrecked by the impact.

There were no eye witnesses to the accident, but in a few minutes several hundred people were at the scene of the accident.

Mr. McNeil is survived by his widow and three sons, Wayne, John and Cortez, and two daughters, Edrie and Mona. He leaves six brothers and six sisters.

The funeral services are being planned for this afternoon at the Church of Christ.

STORK SPECIAL

Word has been received of the birth of a baby girl on Sept. 29 to Mr. and Mrs. Brewer Neal of Stamford.

C. E. Cheyne is spending the week at Dimmitt in the home of his daughter, Mr. and Mrs. Flaudie Gallman.

Miss Flora Dorris of Amarillo was the week end guest of Mr. and Mrs. T. V. Reeves.

$300,000 WILL BE SPENT ON HIGHWAY NINE

Widening Starts Dreamland Cemetery, North to Canyon and on to Amarillo

30 FOOT PAVING

Easements Asked of Property Owners For 100 Foot Right of Way for the Highway

The Texas Highway Department plans to spend $300,000 in widening Highway No. 9 from the Dreamland Cemetery to Amarillo. Work will start as soon as right-of-way of 100 feet or more is secured, stated the resident engineers yesterday.

Deeds and easements have been secured from practically all of the property owners along the highway, extending the right-of-way from 80 feet to 100 feet in most places. A little more land is requested in a few cases where the grade is high. All of the property owners so far have given the land in order that the additional improvements may be made without delay. Condemnation proceedings will likely be started in cases where easements are not given.

The work contemplated will in reality mean a new highway construction. The new pavement will be 30 feet wide, and the present concrete will be covered in the process of widening.

The highway department has requested this work under WPA, but if this grant is not made will likely continue the improvement with relief labor out of Canyon and Amarillo. The car count shows this to have the heaviest traffic of any highway on the Plains, and the numerous wrecks has impressed the necessity of a wider pavement.

American Legion Boys to Entertain Happy Post Mon.

Monday evening, Oct. 7, members of the American Legion of Happy are meeting with the local Post for a joint installation of officers. A social is being planned to follow the business meeting and all members are urged to be present to join in the fun and help entertain the visitors.

MOVES FROM OREGON

Mr. and Mrs. O. Jensen and children have moved here from Portland, Oregon, and Mrs. Jensen has entered W. T. She will be remembered by many Canyon citizens as Miss Gracie Penrod.

Will Rogers Pays Fitting Tribute Weekly Papers

Some of the late Will Rogers' philosophic and humorous paragraphs will go down in literary history as masterpieces. And perhaps one of the finest of these is his tribute to the "home town paper," one of his last writings.

"Take away my ham, take away my eggs, even chili," said Will, "but leave me my newspaper. Even if it has such purely local news as 'Jim Jones came home last night unexpectedly, and bloodshed ensued' or 'Jesse Bushyhead, our local M. D., is having one of the best years of his career, practically speaking—but they just won't pay him when they get well,' 'the county seat was packed yesterday with prominent people from out of town, attempting to renew their notes' and 'election ain't far off and everybody is up for office that can sign an application blank.'

"Now all that don't seem much news to you. But it is news to you, especially when you know the people and they are your own folks. So no matter how punk you may think your local newspaper is getting, why just take it away from you and see how you feel. The old newspaper, I think, is just about our biggest blessing. So let's all read and be merry, for tomorrow the paper may not have enough ads to come out."—Journal Democrat, De Pere, Wis.

Buffs Will Tackle TWC Rams Friday

First Team Produced By Fort Worth School To Bring Heavy Team For Game

The West Texas State Teachers College Buffaloes will play host to the Texas Wesleyan College Rams in Buffalo Stadium Friday night, Oct. 4, at 8 o'clock.

This is the first year that the "Cowtown" college has blossomed forth with a football team because it has been, up until this year, a woman's college.

The mere fact that the rugged boys of T. W. C. will come straight from dormitories that smell of "Sweet Narcissus" and "That Evening in Paris" has nothing to do with their style of play.

Coach Rhome inaugurated his "thirty-five" season by threshing the Cameron Aggies of Lawton, Okla., to the score of thirteen to nothing. The Aggies have had one of the strongest teams that ever represented Oklahoma, but the Rams showed them that they knew all there was to know about beating them. The Rams made eight first downs to six for the Aggies.

The Ram mentor has a boy named Hall Splawn that has drawn much favorable comment from many of the scribes down state. He is a 167 pounder that can do everything with a football except take it home with him. He punts, passes, backs up the line, and does everything else that the other boys cannot do.

In Ad Richardson, mere 307 pound tackle, Coach Rhome will have the right side of the line practically sewed up. This "man mountain" is exceptionally fast for his size, and has played some out-

PANHANDLE MEMBER PRESS ASSOCIATION

Many writers have called attention to the fact that more women than men are now smoking in public. On a recent trip it was not uncommon to see several couples enter a dining room with the women smoking and the men not smoking. Thousands of dollars in advertising have been spent to induce women to become smokers. Many writers claim that women are doing about as much drinking and gambling as the men. There are few men who will not honestly regret this change. Granting the women political equality induced them to absorb a lot of evils formerly indulged in only by the males. However, lecturing on the part of the men against the evils for so long indulged in only by the males will not induce the females to give up their fling at the present time. Maybe it is a passing fad; maybe it isn't.

Wright Patman finds himself in a peculiar jam. He took unto himself the honor of being the great exponent of the ex-service men, introducing the bonus payment bill time and again. But unfortunately he always tried to hang a tail on the kite which made the bill dangerous. As a so-called friend of the ex-service men, Patman has been parading himself over the nation seeking additional glory than a member of congress. So far so good, until Patman went to the American Legion convention where his inflation ideas were booed, and he was not allowed to speak. Legionnaires expressed a desire to have the bonus paid, but were unwilling to help fly the political kite of Wright Patman, or to favor any method for making the payment. Another voice of the great common people has been stilled.

President Roosevelt is making an able defense of the AAA on his trip across the nation. He has passed through the great agricultural district which has been saved from bankruptcy by AAA. The Republicans may shout themselves hoarse about government spending, but the farmers know that AAA saved them from a most dangerous plight. The farmers appreciate what the President has done for them. They know what would have happened without his aid. Even wise Republican leaders in the middle west are praising the AAA, in spite of the ridicule which comes from the east as to the benefits of the processing tax, and other measures enacted to aid the farmers. The President is out visiting with the folks of the nation on his trip. He will take a much clearer vision of the country back to Washington.

The wets at Austin declare that the true definition of the saloon as enacted by the Senate in Senator Small's bill will simply ruin the saloon and the possibilities of prohibition. That is sure too bad. No doubt the state was quite shocked to see the bold stand taken in the Senate against the saloon. It was rather expected that the House was dry, and would pass somewhat of a dry bill, but the Senate is always cussed for everything which goes wrong in the legislature. Senator Small has performed another notable service for the state and the people of his district in writing and passing the bill clearly defining the saloon. No one expects the law to be enforced in the dripping wet counties, but this law will give the dry counties an even break when it comes to protecting the dry territory.

President Roosevelt mailed letters last week to preachers all over the nation, asking for advice in the new social program. Of course there are some pastors who took offense, and ridiculed the letters as a political move. Why be so harsh? Preachers should know more about social problems in every community than any class of people. A good citizen is anxious to help his nation, regardless of the political party which may be in power. This nation is embarking on a new security program the functions of which is new to most people. The President sought information from the people whom he thought would know, and who should be interested in helping those who need help.

J. Edgar Hoover and his G-Men are starting a definite fight on crime and criminals. This nation has too long been the racketeering headquarters of the world. All of the thugs of the globe gather here as being an easy place in which to operate. Crime never pays, but these fellows do not realize it. Edgar Hoover will attempt to show this criminal element that the government means business in demanding that the laws of this nation, and that life and liberty of its citizens be respected. More power to him and his fearless band of workers.

Canyon has need for a get together spirit. While conditions have been pretty tough during the past few years, they can get worse unless a better co-operative spirit is shown among the citizens. Pulling together, trading with each other, buying at home would help. Even some business men are guilty of buying most of their supplies away from home, without giving the home firm a chance to serve them. Many salaried persons, whose salaries depend upon the continuation of the home institution, spent their money away from home.

Booze and fast living do not mix with prize fighting, so Max Baer found out the other night. Booze has been the downfall of most of the former outstanding athletes and prize fighters. Yet people demand that it is their right to indulge in the stuff.

It rained again, so Italy could not start the war. Now the League of Nations declare that the war must not start for three months. In other words, the League insists upon Italy counting ten or more before striking.

IN THE WORLD OF SPORT

With Two British and Two American Crowns in His Bag, Lawson Little Seems Well on His Way to Being Another Bobby Jones

BY PHILIP MARTIN

A GENUINE dearth of cups, medals, and trophies of all sorts is threatening in international golfing circles as a result of the acquisitive nature of William Lawson Little, Jr., 25-year old Stanford senior. Little's retention of the United States amateur title at Cleveland recently rolled up his list of consecutive championship matches won to the amazing total of 31.

Little has been likened by many to Bobby Jones, although—probably due to his youth—he lacks the smoothness and polish of the great Bobby. But even Jones, at the same stage of the game, never captured both British and American amateur crowns two years in succession.

This accomplishment of the present title-holder is unequalled in the history of the grand old Scottish pastime.

Among his assortment of honors, the California youth possesses the distinction of having turned in the lowest score of 18 holes of championship play ever made—a 66 over the difficult Prestwick, Scotland, course—highlight of the British Amateur playoff last year.

It is Walter Hagen's observation that Little's style of play is reminiscent of no other topnotch golfer, past or present. The Haig, allowing his memory to travel back to the days of his youth, states he can remember no golfer who packs more punch in the use of all clubs than does Little.

Lawson consistently pokes the pellet around the 300-yard mark; but, what is more important, he smacks 'em straight down the fairway. And, unlike many a slugger, Little also plunks them into the cup with deadly precision on the greens.

Possessor of two British and two American amateur titles, captured in two successive years, Lawson Little, shown above in action and closeup, startled the golf world with his amazing string of 31 victories in match play.

DESPITE his tremendously long drives, the champ can hardly be classed as a giant, standing 5 feet 9 inches and tipping the scale at 170 pounds. But he uses his extraordinarily broad shoulders to get away his bullet-like smashes.

Temperamentally, Little is eminently qualified for championship play. He's his own severest critic, though he never broods over a bad hole, preferring to forget it and make it up on the succeeding holes. Then, too, he has that old will to win.

A career in the insurance business awaits him on completion of his course at Stanford, and Lawson insists this line of endeavor will supply him with enough bread and butter so that he won't have to turn to professional golf as a means of keeping the wolf away from the door.

(Taken from the files of the Randall County News of September 30, 1910)

Church affiliation of students attending the college the first week: Baptist 54; Methodist 41; Presbyterian 21; Christian 20; Catholic 5; Episcopal 3; Protestant Methodist 1; Universalist 1; Lutheran 1; no church preference 11. There were 106 women and 56 men in the college.

Canyon high school defeated the normal team 6-4 in baseball.

Athletics were started at the Normal under the direction of R. L. Marquis. Robt. Rowan and Joe Black represented the students.

A son was born to Mr. and Mrs. J. T. McGehee.

Wood Carving Class Scheduled for Town Women Interested

Due to the interest shown by the women in the manual training department, there has been scheduled a wood carving class open to town women on Tuesdays, Thursdays and Fridays at 1:30 o'clock in the afternoons. College women are also eligible for the class and those who cannot take it at this period may come later and make other arrangements. J. A. Gillis will teach the class.

The course was popular last summer. The students took their best works and formed an interesting exhibit in the College. This class is of special interest and help to both primary and intermediate majors.

A new record for depth has been set by a Texas oil well completed at 12,786 feet. The temperature is 182 degrees Fahrenheit at the bottom.

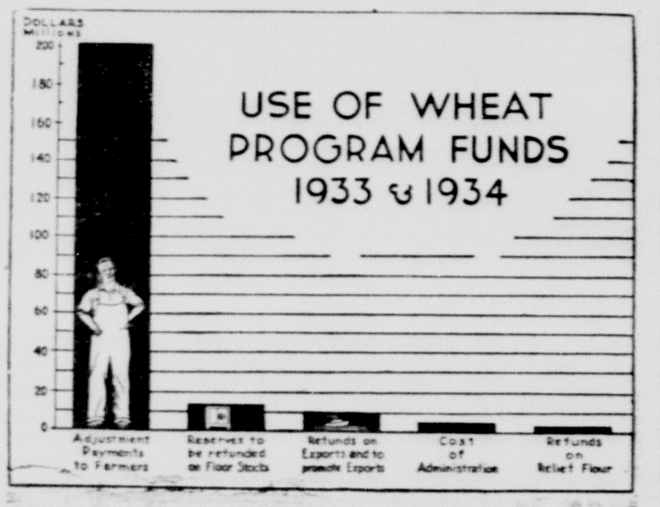
THIS chart shows how the loss of export markets for wheat has changed the wheat acreage situation in this country. The first column shows that from 1930 to 1932 our farmers averaged 66 million acres planted to wheat, although about 9 million of these acres were producing wheat for which there was no profitable market. The second column shows that 50 million acres usually produce enough wheat for our domestic use and that 7 million acres more will produce all we can expect to export. Because of severe crop damage this year, somewhat more than 57 million acres is expected to be planted for the 1936 crop. The figures are based on average yields.



THE columns show how funds were spent in the first two years of the wheat program under the Agricultural Adjustment Administration. All of the money, except a small percentage for the necessary administrative expenses, went for adjustment payments to farmers. For the first two years these payments amounted to $200,250,000. A reserve held for refund of floor stocks taxes at the conclusion of the program amounts to $13,900,000. Refunds on exports and funds used to promote exports totalled $10,500,000. The cost of administration was $5,800,000. Refunds made to millers who had paid the tax on flour that was used for relief purposes amounted to $3,500,000. The funds for all these purposes are advanced from the U. S. Treasury. Against these funds the Treasury has the income from the processing tax on wheat. The two are about equal.

856 Now Enrolled For Fall Semester

Eight hundred and fifty-six students are now enrolled in W. T. according to the latest reports from the Business Manager's office. This marks a considerable increase over figures available at a corresponding time last year. These figures do not include the enrollment of students in the demonstration school.

The freshman class, as in past years, is considerably larger than the other classes.

The demonstration school enrollment is also larger this year than ever before. One reason for this increase is due to the number of students transferred from schools outside of Canyon.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

LIGHT UP YOUR HOME

Mazda Lamps of standard quality are cheaper now than ever before. Insist upon a lamp of standard make and not one that is merely a "bargain." Adequate illumination, longer life, and economical use of current, we feel sure, are the primary requirements you're interested in. Standard Mazda Lamps fill these requirements.

Texas Utilities Company

Uncle Sam Moves to Bring Electricity to the 'Forgotten Farmer'

FOR years, most city dwellers and a handful of farmers have had at their command the "genie of the switch" to bring them many of the comforts of life.

To them this great, powerful servant has brought light; it has preserved and cooked their food, washed and ironed their clothes, carried their messages and obeyed them in innumerable other ways.

But, of the 54,000,000 people dependent on agriculture for their living, an estimated:

80 per cent have to carry water from wells or other sources of supply.

75 per cent have to get along with outdoor toilets.

93 per cent have neither bathtub nor shower.

82 per cent have to put up with kerosene or gasoline lamps.

48 per cent heat their homes partially or entirely with fireplaces; 54 per cent, with stoves.

62 per cent have to do their laundry work outdoors.

• • •

THESE estimates are provided by Morris L. Cooke, distinguished Philadelphia engineer and chief of the Rural Electrification Administration, which is swinging into action in its program of bringing electric service to American farm homes.

With an initial $100,000,000 work-relief allotment, Cooke expects to make electricity available to 1,500,000 more farm people, and lend impetus to a movement that eventually will bring complete electrification to rural America.

The REA will lend money to power companies, public and private, to finance new electric lines to farm districts. Where power companies are unwilling to extend their lines, and farmers group to buy power from them and build lines to convey it, such co-operatives will be aided financially by REA.

In any event, however, it will be up to the farmer himself to get the money to wire his house and buy appliances — refrigerators, pumps, stoves, lights, farm equipment, etc.

For this purpose, the Tennessee Valley Authority's "Electric Home and Farm Authority" is being expanded into a nation-wide organization to finance installment purchase of such equipment by farmers.

• • •

IT has been pointed out that many European nations surpass America in supplying electric power for rural areas. Thus, more than 80 per cent of all French rural communities have electric service available. The same applies to 40 per cent of Sweden's farms; and nine out of 10 Japanese homes.

At last, the American government has come to recognize the U. S. farmer's right to the personal and economical advantages which electricity brings, and is taking steps to see that he gets them.

The REA, under the direction of Morris L. Cooke, above left, is launching its campaign to electrify rural America. The chart below illustrates the surprising scarcity of electric service on American farms.

Graham, Ritchie Declare Japan Most Beautiful Country Visited on Tour

Observe Teaching Methods of Schools In Orient

Returning from their three and one-half months tour this summer, Miss Edna Graham, professor of mathematics, and Miss Jennie C. Ritchie, dean of the high school, agree that Japan is the most beautiful country of their visit, although they contend that India is the most impressive.

"Not a weed in the fields of Japan," Miss Graham characterizes "The Country of the Rising Sun." The homes are clean and dainty as doll houses! The walls are artistically decorated and are of paper screens; several rooms can be easily converted into one. There is no furniture except a picture hanging on the wall with a flower vase beneath it.

The two West Texas teachers visited the schools, systematically patterned after the national schools of Tokio, and watched the young pupils at work in the classes of English, chemistry, geography, and manual training. The boys were being taught the tactics of military training in all of the schools of Japan.

Miss Ritchie says, "I thought Japan the most beautiful and India the most interesting, because it is composed of so many different states with so many different religions and dialects. I found that in Japan the people are very courteous, and those who have gone to school in our country seem to be proud of their American education."

Everywhere the teachers went they seemed to find the most comforts and conveniences, and Miss Ritchie concludes, "The only thing that marred the trip at all was that we received our mail only seven times in addition to that we received at our boat before it sailed."

Work Will Begin Soon On Cousins Hall Addition

Plans for the addition to Cousins Hall are nearing completion. Authorities stated last week that work would be begun on the building soon. The new wing, in the shape of an "L" will be added to the west end of the main building. It will extend 72 feet west and approximately the same distance north. Type of construction and design will be identical with that of the present building.

The front entrance of the new wing will have an entrance on the west exactly like the entrance which is now on the south. This entrance opens into a lobby which will connect the social rooms—the old and the new. Off this lobby will be two cloak rooms; one for men and one for women. Plans also include a small lounge.

The new social room will be on the west side of the lobby, with a small stage at the north end of the room. A kitchenette opening into the room will be a convenience for the social entertainer as it will be fully equipped.

The present social room is to be remodeled—the windows on the north being made into archways and the north wall moved about ten feet to make a passage way from the new wing to the dining room.

The new wing will accommodate forty-four girls. Each room will have single beds, two electric plugs, two large closets. Incinerators will be built in for the convenience of disposing of trash, and trunk rooms will be on each floor. On each floor there will be small rooms fully equipped for pressing so that girls will not have to go to the laundry on the ground floor in order to do a small amount of pressing. The hall ways are to be tiled, with an ice water fountain on each floor. Baths will be equipped with both tubs and showers.

Double guest rooms will be built in the east side of the second floor of the new wing, with private bath.

Mrs. Agnes Smith, supervisor of Cousins Hall, stated last week that everything possible will be done to make the rooms more convenient for residents and that every effort is being put forth to make the new rooms an addition to the physical comfort and social prestige of every girl on W. T. campus.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxines. Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

Buffs Lose Game To Southeastern Teachers College

After scoring a touchdown in the first three minutes of the game, and demonstrating some of the classiest running and plunging in history, the Buffaloes lost a breath-taking decision to the Southeastern Savages of Durant, Okla., in Vernon Saturday night, thirteen to seven.

Playing inspired ball, and clearly demonstrating better training in every way, the Buffs opened up with a vicious blocking attack, and Dow, Johnson,, and Van Noy contributed some sensational runs to mark up the first touchdown in less than three minutes after the opening whistle.

On the exchange of punts the Buffs found themselves on the Savages' nineteen yard strip. A bad pass from center rolled to the six-inch line and was recovered by Dunson, Indian speed merchant of the Savages. On the next play, Wylie drove over for the marker, and Dunson kicked goal.

The next Savage drive came after the Redmen were forced to punt. Wylie kicked out on the twelve yard line. The Buffaloes came up scrapping, but another high pass went over the head of Ronald Davis, and rolled to the four yard line where it was killed by a Savage. Holloway rounded the end for the touchdown. Dunson missed his try.

The Buffaloes came back in the last quarter and threw open a passing and running attack that was beautiful to behold. They opened this time on the Savages' thirty yard line and Ronald Davis picked up thirty-seven yards on a lateral pass. The Teachers banged at the line for no gains, and Portman intercepted Van Noy's pass to stop the threat.

With less than three minutes to go the Baggettmen opened again with wide end runs, and again Ronald Davis picked up seventeen yards but fumbled at the end of his run, and Holloway of the Savages recovered.

The Buffaloes had one last chance to win but several line bucks failed, and the Indians held them for downs as the game ended.

In this game the Buffs did everything well including fumbling. They blocked, tackled, and run wild. They are not making alibis, they lost the game. Not because they had the weaker team but because of those things that happen in ball games. If the boys continue to block, tackle, and run as they did in Vernon Coach Baggett will have his best team.

Summary of Game

Buffs		Savages
7	First Downs	9
138	Yards gained	38
3	Passes Attempted	6
1 for 12	Passes com.	3 for 36
2	Time outs	5
35	Penalties	45
44	Punts (av.)	39

DIRT

FIGHTS A LOSING BATTLE

Dirt fights a losing battle when linoleum is protected by LOWE BROTHERS LINOLEUM LACQUER. For this smooth, durable finish makes linoleum so easy to clean that wiping with a damp cloth removes all dirt. Moreover, this high-grade lacquer preserves the original beauty of new linoleum, brightens old linoleum, and greatly increases the life of both. LOWE BROTHERS LINOLEUM LACQUER dries within one hour after it is applied.

TWO LOVELY PARTIES AT CARL SCOTT HOME

Mrs. Carl Scott entertained friends at her home this week with bridge on Monday and Wednesday afternoons.

Upon both occasions the entertaining rooms were made more attractive by the use of dahlias, roses and cosmos suitably arranged in vases and baskets.

Monday afternoon the hostess served chicken salad with hot rolls, olives, macaroons and coffee to Mrs. R. E. Ball, Mrs. W. C. Cotten, Jr., Mrs. Bob Foster, Mrs. Joe Black, Mrs. Tom Brasher, Mrs. J. Madison Daugherty, Mrs. J. D. Gamble, Jr., Mrs. Hud Prichard, Mrs. W. E. Miller, Mrs. Burt Newlin, Mrs. Harry Wood, Mrs. Warren Johnson, Mrs. Andy Walsh, Mrs. Owen Williams and Mrs. Claude Moore.

At the conclusion of many games of bridge yesterday afternoon, Mrs. Scott served her guests a plate lunch with chicken salad, hot rolls and coffee.

Those seated for the lovely affair were Mrs. Marion Bishir, Mrs. Ray Campbell, Mrs. Ross Craig, Mrs. R. B. Davis, Mrs. Chas. L. Dickey, Mrs. George Nance, Mrs. Jim Rose, Mrs. Lee Foster, Mrs. John S. Humphreys, Mrs. T. B. McCarter, Mrs. Felix Neff, Mrs. Donald Trolinger, Mrs. J. D. Barker, Mrs. James Cole, and Mrs. Coy Henson of Amarillo.

PRISCILLA CLUB WITH MRS. MITCHELL JONES

Yesterday afternoon guests enjoyed the pleasing hospitality of Mrs. Mitchell Jones when she entertained the Priscilla Needle Club at her home, 2502 Seventh Avenue.

Vases of dahlias and Zennias were used by the hostess in carrying out her chosen color scheme.

At the business meeting Mrs. R. O. Johns was elected president of the club to fill the vacancy created by the resignation of Mrs. H. W. Hartman.

A tasty salad course with coffee was served to Mrs. J. J. Walker, Mrs. J. L. Duflot, Mrs. Allen Farlow, Mrs. Johns, Mrs. J. Madison Daugherty, Mrs. A. K. Goodman, Mrs. R. E. Ball, Mrs. Alfred Bellah, Mrs. Frank Hicks, and Mrs. C. M. Presley.

GARRISON CLUB WITH MRS. W. M. KINSEY

Mrs. W. M. Kinsey acted as hostess to the Garrison H. D. Club last Thursday. A demonstration on stain remover was given by Miss Allie Dozier.

Refreshments were served by the hostess to Mrs. Noah Grimes, Mrs. L. E. Talbert, Mrs. L. F. Spiser, Miss Lula Spiser, Mrs. Frank Culp, Mrs. Isom Hollabaugh, Mrs. Oswald Jones, Miss Dozier, Mrs. Ed Jones, and Mrs. Homer Kinsey.

A. A. U. W. MAKE PLANS FOR YEAR

Members of the executive board of the local A. A. U. W. met at the home of Mrs. Geraldine Green, president of the group, Wednesday evening, Sept. 25. Plans for the year's work were discussed. It was decided a dinner given for members and prospective members should begin the year's program on Monday evening, Oct. 7 at seven o'clock in the home economics room of the College.

At the close of the meeting, the hostess, assisted by her daughter, Miss Nelle Green, served refreshments of small cakes and fruit punch to the following: Misses Grace Clark, M. Moss Richardson, Novella Goodman, Ruth Lowes, Darthula Walker, Jean Moore, and Mesdames T. B. McCarter, L. M. Cousins, Floyd Dunaway, and T. V. Reeves.

A. A. U. W. TO HAVE DINNER MONDAY

A dinner honoring members and prospective members of the local branch of the A. A. U. W. will be held in the home economics dining room of the College Monday evening, Oct. 7, at seven o'clock with the executive committee acting as hostesses. Members and those contemplating membership this year are invited to be present. Those planning to attend the dinner are requested to telephone either Miss Ruth Lowes or Mrs. Floyd Dunaway, telephone numbers 244 and 473 respectively, before Saturday evening, Oct. 5.

ACHIEVEMENT DAY PLANS DISCUSSED

The Centerview Home Demonstration Club met Wednesday evening, Sept. 25, in the home of Mrs. Serena Bryan at which time reports for the last six months were completed.

Plans for the achievement day were discussed with Mrs. E. W. Schaeffer, Mrs. E. M. Wilson, and Mrs. L. H. Barnard being appointed on the program committee and Miss Inez Wesley appointed chairman of the arrangement committee.

The club will meet tomorrow with Mrs. E. W. Schaeffer for a demonstration on Christmas candies, gift wrappings and stain removals.

Members present were Mrs. S. F. Sharpes, Mrs. W. F. Barnard, Mrs. Harney Rogers, Mrs. Schaeffer, Mrs. C. M. Rogers, Mrs. E. M. Wilson, Mrs. L. H. Barnard, and one visitor, Mrs. Harry Folk.

DINNER BRIDGE FRIDAY AT GUY HARP HOME

Mr. and Mrs. Guy Harp were at home Friday evening to members and guests of the Friday Afternoon Bridge Club, at the monthly dinner given for the husbands of the club members.

Many beautiful bouquets of marigolds, zennias and cosmos added to the attractiveness of the rooms and tables. Places were laid for twenty-four at dinner, followed by bridge throughout the evening.

Those seated were Mr. and Mrs. C. R. Burrow and Dr. S. L. Ingham, guests; Mr. and Mrs. J. W. Kleinschmidt, Mr. and Mrs. C. L. Thompson, Mr. and Mrs. W. L. Smith, Mr. and Mrs. C. W. Black, Mr. and Mrs. Tom Knighton, Mr. and Mrs. Clyde Warwick, Mr. and Mrs. Irby Carruth, Mr. and Mrs. Dan Sanders, Mr. and Mrs. Travis Shaw, Dr. and Mrs. R. A. Neblett, and Mrs. Millard Word.

REBEKAH LODGE HOLDS REGULAR MEETING

The regular meeting of the Rebekah Lodge was held Tuesday evening with Miss Floy Rowe, noble grand, presiding. The regular order of business was followed, with an unusually large number in attendance.

A membership contest is being conducted and all members are urged to attend and keep up the attendance for their side.

GIRLS AND MOTHERS ENTERTAINED AT TEA

Eleven girls of the Triangle Sunday School Class of the Presbyterian Church will be promoted from the Junior to the Senior Department of the Church next Sunday morning.

Mrs. W. L. Smith, teacher of the class entertained the girls with their mothers and friends Sunday afternoon between 4 and 6 p. m. with a beautifully appointed seated tea.

Mrs. Charles Dickey poured tea at the dining table, which was beautiful with its decorations of flowers under the soft light shed by burning yellow tapers. A profusion of fall flowers were appropriately placed throughout the rooms.

Members attending were Misses Hellen Whittenburg, Anna Bell Sligar, Christine Jarrett, Lenna Lee Lockhart, Shirley Tate, Estell Van Arsdale, Mary Charlotte Word, Mary Cathryn Sharp, Hazel Sanders, Bettye Jo Black, and Ida Martha Pierle.

Special guests included Mrs. J. D. Barker, Mrs. Hawks, Mrs. Clarence Thompson, Mrs. S. L. Ingham, Miss Eleanor Pierle, Mrs. C. H. Jarrett, Mrs. W. E. Lockhart, Mrs. Prentice Tate, Mrs. Millard Word, Mrs. J. R. Sharp, and Mrs. C. A. Pierle.

CANDY MAKING DEMONSTRATED AT CLUB

Plain Fondant is simple to make and a variety of delicious candies can be made from the foundation recipe as was demonstrated by Miss Allie Dozier to members of the Sunny Hill H. D. Club members at the home of Mrs. Umphrey and Cartey.

Fondant may also be used for cake icing or it may be put in a jar and kept any length of time.

A covered dish luncheon was served at the noon hour.

Members and visitors present were Mrs. F. E. Culp and Mrs. Beard, Mrs. S. L. Robinson, Mrs. R. B. Gist, Mrs. Henry Ratjen, Mrs. Lee Jennings, Mrs. A. E. Wise, Mrs. Otto Lehnick, Mrs. R. B. Elliot, Mrs. J. B. Knox, Mrs. Wheeler Knox, Mrs. Carroll Bray, Mrs. Glenn Dowlen, Mrs. Joe Russell, and one new member, Mrs. T. G. Knox.

ORGANIZE H. D. CLUB FOR RALPH WOMEN

The Ralph Home Demonstration Club met Wednesday, Sept. 25 at the home of Mrs. Lonnie Byars for the purpose of organization. Miss Dozier presided, until the president was elected.

The following officers were elected: President, Mrs, Clarence J. Bauer; vice president, Mrs. Lonnie Byars; secretary and treasurer, Mrs. T. C. Gooch; reporter, Mrs. Newton Crain; parliamentarian, Mrs. R. Adcock; council representative, Mrs. Sam Hill.

After the business session, refreshments were served to the following: Mrs. E. Dutton, Miss Mary Neal, Miss Kathrine Springer, Mrs. T. C. Gooch, Mrs. Sam Hill, Mrs. G. R. Cox, Mrs. D. B. Springer, Mrs. D. S. Hill, Mrs. R. Adcock, Mrs. Wilbur Hill, Mrs. M. O. Slack, Mrs. Cates, Miss Myrtle Cates, Mrs. Newton Crain, and hostess, Mrs. Byars.

The next meeting will be held Wednesday, Oct. 9, at the home of Mrs. T. C. Gooch. Miss Dozier will meet with the club the second Wednesday of each month.

MRS. J. W. BOURN HAS WESTSIDE CLUB

Friday, Sept. 20, Mrs. J. W. Bourn acted as hostess to members of the Westside Home Demonstration Club. The removal of stains was discussed by the demonstrator, Miss Allie Dozier, followed by a jelly making contest supervised by Mrs. Wm. Ash.

Refreshments of cake and grape juice were served to Mrs. Ash, Mrs. J. L. Buchanan, Mrs. C. L. Gordon-Cummings, Mrs. Ed Bourn, Mrs. J. E. Hunter, Mrs. B. A. Burrus, Mrs. J. I. Pope, Mrs. S. F. Dove, Mrs. W. R. Avent, Mrs. J. A. Smith, Mrs. J. J. Wright, Miss Kitty Burrus, members; Miss Dozier, and visitors Mrs. H. B. Hunter, Mrs. J. T. Ferguson, Mrs. J. S. Burrus and Miss Dora Coffee.

SCHEDULE OF MISS ALLIE DOZIER

Friday, Oct. 4, Morning, Fairview girls; afternoon, Centerview Home Demonstration Club.

Saturday, Oct. 5, Office. Yearbook committee meeting at 1:30 o'clock.

Monday, Oct. 7, Office.

Tuesday, Oct. 8, Zita Home Demonstration Club.

Wednesday, Oct. 9, Ralph Home Demonstration Club.

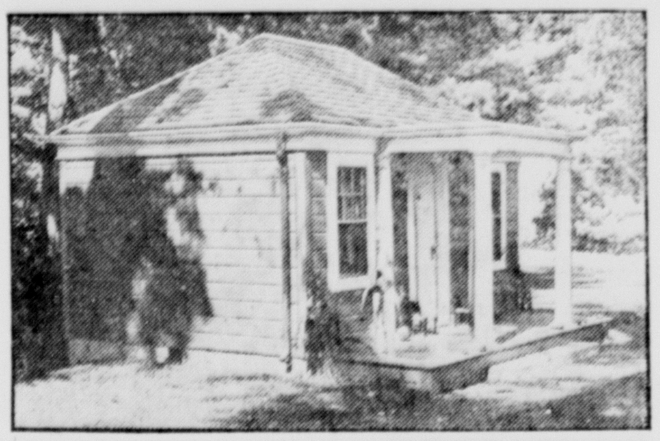
Thursday, Oct. 10, Garrison Home Demonstration Club.

Friday, Oct. 11, Edgetown Home Demonstration Club.

Saturday, Oct. 12, Office.

Mr. and Mrs. Rufus Burnett of Amarillo were guests Saturday evening at the home of his sister, Mrs. Roy Campbell.

Not a Doll, but a Dall House



A present from the president's mother, Mrs. James Roosevelt, this tiny house will provide a lot of fun for "Sistie" and "Buzzie" Dall, her great-grandchildren. It was erected on the Roosevelt estate at Hyde Park, N. Y.

E. J. BAUER HONORED ON BIRTHDAY

Sunday, Mrs. E. J. Bauer entertained a large number of friends and relatives with a delightful birthday dinner in honor of the birthday of her husband, E. J. Bauer; her brother, Albert Goettsch; her sister, Mrs. John Ebeling; her mother-in-law, Mrs. J. J. Bauer.

Those seated at the table were Mr. and Mrs. J. J. Bauer, Mr. and Mrs. Paul Goettsch, Mr. and Mrs. Albert Goettsch, of Arkansas, Mr. and Mrs. Albert Dietrich, Mr. and Mrs. W. H. Goettsch, Mr. and Mrs. L. F. Spiser, Mr. and Mrs. I. L. Bauer, Mr. and Mrs. John Ebeling, Julius Goettsch, Ernest Goettsch, Virgil, Marshall, Edwin and Raymond Ebeling, Herbert and Carl Goettsch, Leroy, Franklin, and Junior Bauer, F. H. Bauer, Frederick, Willard and Arthur Spiser, Misses Dorothy, Evelyn, Margie, Carrie, and Thelma Bauer, Nora Lee Brazil, Luella, Ardelle and Mabel Spiser, Una and Mary Alice Bauer, Alvina and Josephine Ebeling, Bonnie and Catherine Goettsch, Lavern Goettsch, and the host and hostess, Mr. and Mrs. E. J. Bauer.

ZITA CLUB IN MEETING MONDAY

To remove a stubborn ink spot, apply a solution of potassium permanganate. Let stand five minutes, and then rinse thoroughly in cold water. To the dark stain left by the permanganate, apply lemon juice and let stand a few minutes. Rinse again in cold water and the cloth will be free of any stain. This was one of the particular demonstrations made by Miss Allie Dozier, home demonstration agent of Randall county, in her lesson on Stain Removals, given to the members of Zita club at the home of Mrs. Lawrence Stewart, September 30.

Refreshments were served to the following members, Mrs. Marie Dorman, Mrs. Emma Gruner, Mrs. Eula Watson, Mrs. D. C. McCormick, Mrs. Bill Wright, Mrs. Bailie McCormick, Mrs. J. P. Upchurch, Mrs. John Moody, Mrs. H. B. Hales, Miss Allie Dozier and Mrs. Lawrence Stewart.

MRS. C. E. SANFORD IS HOSTESS TO CLUB

The Edgetown Club met Sept. 27 with Mrs. C. E. Sanford acting as hostess, while Miss Allie Dozier had charge of the demonstration on stain removing.

The importance of keeping a few simple stain removers in the home was stressed, as it is such an easy task to remove a stain while it is still moist, but practically impossible after it has been allowed to dry.

Interesting discussions followed by telling individual experiences and success in stain removing.

Refreshments of cheese sandwiches, salad, hot cocoa and cake were served to Mrs. G. H. Hardman, Mrs. J. W. Spencer, Mrs. D. Phillips, Mrs. Buck Campbell, Mrs. O. M. Solomon, Mrs. W. T. Davis, Miss Dozier and Miss Alice Wooten.

JOHNSON 4-H CLUB MEETING HELD

The meeting was held with Dorothy Bauer, Oct. 1, at 10 o'clock.

The club was reorganized and the following officers were elected: Ardelle Spiser, president; Dorothy Bauer, vice president; Evelyn Bauer, secretary and treasurer; Elsie Bauer, club reporter; and Margie Bauer, song leader.

Those present were: Dorothy, Evelyn, Margie and Carrie Bauer, Ardelle and Luella Spiser, Elsie Bauer, and Mrs. E. J. Bauer, sponsor. One visitor, Mrs. Albert Goettsch of Arkansas.

PARK H. D. CLUB WITH MRS. A. H. SIMON

A report covering the past six months work of the Park Home Demonstration Club was checked by members of the Club Thursday at the home of Mrs. A. H. Simon.

Mrs. C. C. Benton gave the requisites of an attractive bedroom as being harmonious in color, keeping in mind the use of warm light colors in cold dark rooms and cool colors in light rooms. Mrs. Ivan Pitt stressed the importance of practical arrangements of the built-in features and other fixtures of the kitchen to save time and steps.

Those present were Mrs. Bob Fuller, guest; and Mrs. Frank Simon, Mrs. O. G. Holman, Mrs. Pitt, Mrs. A. H. Simon, Mrs. J. E. Park, Mrs. Herrick Simon, Mrs. James Eddie Park, Mrs. D. D. Vaughn, Mrs. L. A. Pitt, Mrs. John Coburn, Mrs. W. E. Bennett, Mrs. O. W. Turpin, Mrs. L. W. Winters, and Mrs. A. C. Roddy, members.

RANDALL H. D. COUNCIL MET SATURDAY P. M.

With Mrs. J. T. Moody in charge, members of the Randall County Home Demonstration Council met in the court house for a business session Saturday afternoon, Sept. 28.

The finance and exhibit committees reported the receipt of $10.00 from the Ball Jar Company for entries in the contest recently held, and $37.75 from the Tri-State Fair Association for winning entries.

Mrs. W. E. Bennett was elected to represent the Council at the AAA meeting to be held in Dallas. Twenty-three members and four visitors were present.

MR. AND MRS. CHARLES DICKEY GIVE DINNER

Saturday evening at 7, Mr. and Mrs. Charles Dickey entertained with dinner at their home, honoring Mrs. Lee Foster upon her birthday anniversary.

Those seated were Mr. and Mrs. Lee Foster, Mr. and Mrs. Irby Carruth, Dr. and Mrs. R. A. Neblett, with the host and hostess.

Marion Bishir is recovering from a tonsil operation this week.

COVERED DISH LUNCHEON AT ROCKWELL HOME

Twenty-six members of the Missionary Society of the Methodist Church attended a covered dish luncheon at the home of Mrs. M. H. Rockwell, Tuesday.

It was the beginning of the year's mission study, the subject being "That Other America."

At the roll call members responded with items of interest on South America. Mrs. Clyde McElroy gave a report on the language; Mrs. C. M. Dowlen discussed the schools, and Mrs. J. O. Quattlebaum spoke upon the customs and geographic features of South America.

Mrs. A. W. Sternenberg is chairman of Mission study for the year.

MRS. BAUER SAVES BY HOME CANNING

"From six bushels of tomatoes, costing $5.10, I canned 107 quarts in one afternoon, and left one-half bushel to eat," said Mrs. E. J. Bauer, co-operator in the Garrison Home Demonstration Club.

These tomatoes are valued at $21.40, so Mrs. Bauer saved $16.30 by canning these tomatoes.

MARRIAGE LICENSE

Fred Latham and Miss Lorene Jones, Sept. 25.

Dick W. Smith and Miss Gladys McBride, Sept. 28.

John Lewis, colored, and Miss Izena Puckett, Sept. 30.

MILLIONS OF POUNDS HAVE BEEN USED BY OUR GOVERNMENT

Fire Prevention Week

OCTOBER 6th, to OCTOBER 12th

Last year ten thousand lives were lost and $260,000,000 worth of property was destroyed by the fire demon.

Read that again. It is a terrible and stupendous toll. Let not the citizens of Canyon contribute to such an annual loss of human lives and property.

Possibly many lives and much property could have been saved by the practicing of proper fire prevention.

It becomes a civic duty of every citizen of Canyon to inspect the basement, attics, heating systems, chimneys, electric wiring and other places of their homes for fire hazards, not only for their own protection, but for the protection of our entire city.

First Meeting PTA Held Tuesday With Talk By Carruth

Supt. Irby Carruth talked at the first meeting of the Parent-Teachers Association which was held Tuesday afternoon at the public schools. Mr. Carruth gave his impressions of the 15,000 mile trip in England, Russia, Germany, Poland, Belgium and France, particularly as it affected the youth and the schools of these countries. He was a member of a group of teachers from Columbia University in making the trip. The group was especially interested in the economic, social, political and educational life of each nation.

After visiting the principal points of interest in England for ten days, the group took a Soviet boat, landing at Leningrad. In Russia he found only two kinds of automobiles, Fords and Lincolns. The women do all kinds of heavy labor. The young people are very happy. The government is educating them that there is no other government so good as the Russian. Play grounds are equipped with all modern devices.

The government of Germany is truly a government of Hitler. Merchandise is very cheap there, and the people are well dressed.

Forty-four Boys Are Now Living On T-Anchor Farm

The college farm, community living center for students in the agriculture department of W. T., has grown steadily and enables many boys to attend college. It is supervised by Prof. T. M. Moore of the agriculture department.

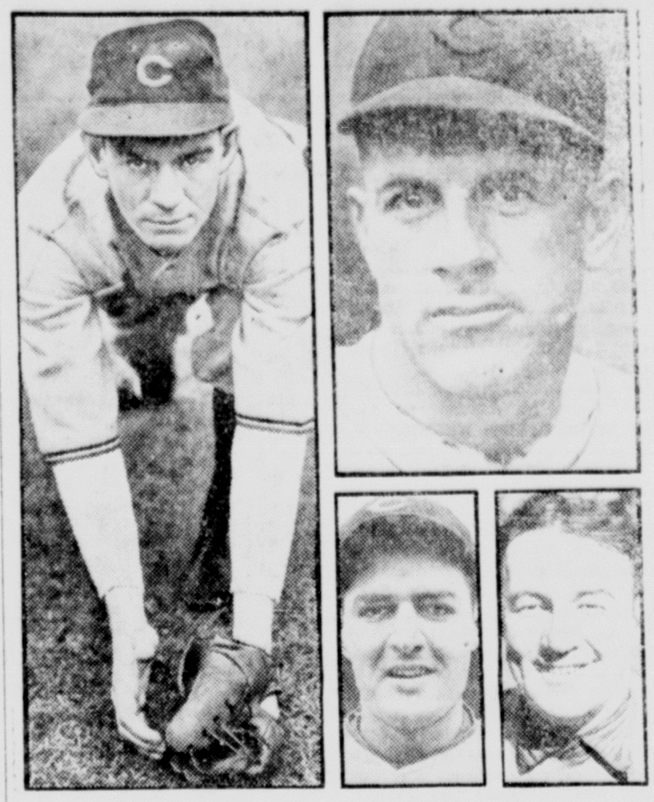
In 1927, the State purchased the old headquarters of the T-Anchor ranch and 200 acres of land surrounding it. There are now five buildings which house forty-four boys, twenty-three of whom are here for their first year.

Out of several hundred applicants, the boys are selected because of their outstanding abilities, scholastic record, character, and need. The cost of living has been cut to a minimum since they pay for their room by working on the farm and their board is on a co-operative basis.

One of the latest features added to the farm is electricity, having been installed about a month ago. Last year the T-Anchor boys built a rock house near the highway which accommodates several more boys. They operate a dairy which produces grade A milk for the dormitories and the cafeteria. Also there are many of them who can play instruments and they compose the orchestra known as the T-Anchor Cowboys. Last year they played at points all over the Panhandle and broadcasted over station KGNC.

The names of the boys and their home town is given as follows: Dean Story, Hereford; Ernest Morgan, Wellington; Milton Crowe, Amarillo; Rubel Mills, Goodlett; Gerald Steed, Childress; Marvin Porter, Conlen; Leo Baker, Muleshoe; Melvin Cullender, Hartley; Wayne Wakefield, Childress; Woodrow Toone, Tulia; Ralph McClure, Claude; Ralph Palmer, Alanreed; James Blaine, Claude; Ben Maize, Spearman; Fred Thompson, Samnorwood; Ernest Kerr, Hereford; Chris Blondi, Segundo, Colo.; Noel Clifton, Estelline; Winfred Covey, Dodsonville; Henry Young, Wellington; J. B. Tarter, Wheeler; Olie Brown, Dozier; Clarence Garrison, Channing; W. T. Falls, Snyder; Clyde Andrews, McLean; Allen Shewmaker, Shamrock; James A. Steed, Childress; Burl Lowe, Lakeview; Carroll Helton, Groom; Lewis Ellison, Shamrock; Marvin Myers, Munday; James Gouldy, Wildorado; Elwyn Dysart, Mobeetie; Wilbur Spaugh, Durham, Okla.; Wesley Leitner, Durham, Okla.; Arvol Hays, Westbrook, Edwin Todd, Lakeview; Toby Purcell, Shamrock; H. R. Trent, Farwell; Lloyd Rice, Lakeview; Arthur Ledbetter, McLean; Bill Miles, Conlen; and Forrest Lee Denton, Lakeview.

Play Top Roles in Cubs' Great Spurt



A lion's share of credit for the Chicago Cubs' amazing string of victories which placed the Windy City nine ahead of the St. Louis Cards in the race for the National League pennant, belongs to the players pictured above. Augie Galan, left fielder, lead-off man and big factor in the Cubs' attack, is pictured at left. At right, above is Boss Charley Grimm. At left below, is Bill Lee, big right-handed hurler, who starred after being brought up from Columbus. With his bat, Gabby Hartnett, lower right, Cubs' veteran catcher, led the Chicago attack all season.

Highland News

Friends, neighbors and children gave Granpa Boling a surprise party last Friday night in honor of his seventy-fifth birthday. A delicious supper of fried chicken, bread and gravy, salads, pickles, cake and coffee were served to sixty guests. An enjoyable time was had by all and we wish him many more happy birthdays.

Mr. and Mrs. Carl Fuqua went to Canyon last Thursday afternoon.

Mrs. Clayh Fuqua and Mrs. Parsons were at Mrs. Carl Fuqua's Monday and Tuesday, canning corn.

Loren Tidwell laft Sunday for his home at Long Beach, Calif.

Mr. and Mrs. Marvin Tidwell returned Monday from a trip to Oklahoma.

Misses Mary Watson and Beatrice Fulton, and Mrs. Elmer Mason were dinner guests at the Fuqua home Sunday night.

Mrs. Joe Bedenk and children had dinner with Mr. and Mrs Gritt Critzinger last Sunday.

ATTEND CONVENTION

Judge Burney Slack, Commissioners G. B. Heath, W. E. Bennett, and J. J. Bauer attended the convention of County Judges and Commissioners held in Amarillo Friday and Saturday.

"The program was very interesting, and much valuable information was given for the county officials," stated Judge Slack.

CHRISTIAN CHURCH

Bible School, 9:45 a. m.

Church Service 11 a. m. Sermon topic: "Jesus, the Student."

Young People's Society 7:00.

Church Service, 8:00.

Mr. Irby Carruth will speak at the evening service, telling something of his experiences in Europe and the religious situation dealing particularly with Germany and the religious situation there. Mr. Strain will play a cornet solo at this service.

The Christian Church is observing next Sunday as Rally Day. Following the morning church service there will be a basket dinner. Church members are urged to come and bring a basket. Students are invited to come to the dinner, it will not be necessary for them to bring a basket. We are expecting a large attendance Sunday. Come and join us.

Sunday night, Oct. 13, the Beacon Quartet of Amarillo will be present at the evening church service and sing for us. The pastor's subject will be "Youth and the Church." Everyone is invited to come and hear the Beacon Quartet.

Mr. and Mrs. Herman Kuhlman have returned from Austin and Temple where they took their daughter for medical treatment.

Music Policy Is Given by Clark for Piano Students

The music department of the college has announced a new policy which will make the organization of the department similar to that of others in the college.

Hereafter Miss Pauline Brigham, head of the piano division, will instruct advanced piano students and the less advanced ones will be pupils of Miss Frances Usery. It will generally be the case that pupils of high school and freshman college classification will be under the direction of Miss Usery and sophomores and upperclassmen under the direction of Miss Brigham.

Private instruction for freshman students is $25.00 per semester; for sophomore students it is $30.00 and for juniors it is $35.00. Music majors pay no fee for private instruction in piano during the senior year, provided they have been in college one full year or two semesters.

In announcing the new policy Mr. Clark said, "In organizing our work in this way we are carrying out the instructions of the accrediting agencies to which the college belongs. It is customary in all college departments to assign work in such a way that more advanced students will have the greatest contact with the division or department head. The new arrangement will strengthen the department in a very desirable way."

LARGE PEACHES GROWN BY MRS. J. B. LIPE

Mrs. J. B. Lipe brought some extremely large and delicious Indian Freestone peaches to the News office Saturday to offer as tasty evidence that peaches can be grown in the midst of drouth.

"The peaches were grown from seedling trees that are five years old and have always been given all the water they could use," says Mrs. Lipe. This probably accounts for the very unusual size and fine flavor of the fruit. From only a few trees, Mrs. Lipe has canned all of the peaches that she could use, and has given bushels of them to her neighbors. Mrs. Lipe lives four miles south of Canyon.

Watches are handy. Looking at one may mean you have to go at once or that you can stay a while longer.

As Sinking Ship Reached Port

When heavy seas shifted her cargo of iron and threatened to sink her, the S. S. Ardgantock turned and headed for port. In this precarious condition, one side a few feet from the water, the ship docked at Dover, Eng.

Artichoke Queen

Just as fair as crop prospects in San Mateo County, Calif.—heart of the artichoke country—Betinna Norberg of Burlingame, as queen of the artichoke realm, reigned in this regal robe of blossoms. She was selected to rule over the district's annual fiesta.

Fairview Breezes

B. T. S. was omitted Sunday night and singing was enjoyed by a large crowd. A new quarter starts in Sunday School next Sunday. Each and every one is urged to come out and get the benefit of the fall quarter.

Mr. and Mrs. Sanford Sharpes and Troy Waine, and Miss Hazel Cox were dinner guests in the G. E. Wesley home Sunday.

S. A. Evans and girls, Leona and Geraldine Sharpes, Mr. and Mrs. J. W. Wesley and Arlen Ray were dinner guests in the home of Mr. and Mrs. H. C. Evans, Sunday.

Mrs. E. M. Rogers is on the sick list this week.

Mrs. Harry Folk visited in the home of Mrs. E. M. Wilson Monday.

Jimmie Carr, who is attending school in Canyon, visited with Jackie Sutton, Sunday.

Eva Walters visited Clemma Bell James, Sunday.

Lola Mae Carr attended the junior party at Mrs. E. E. Wesley's Friday night. The juniors report a grand time with Mrs. Wesley as entertainer.

Elvin Wesley was taken to the hospital Wednesday evening and kept over night with ice pack on stomach. After examination the doctor found he had ruptured the tissues below his stomach instead of having appendicitis. He is able to be around at this writing.

Mrs. Leo Kegans and children who have been visiting her mother, Mrs. J. F. Hood in Amarillo and friends in Canyon during the past month, are returning to their home in Reno, Nevada, the latter part of this week.

Mr. and Mrs. Hatcher Brown of Tulia and Miss Irene Presley of Amarillo all spent the week end at the parental C. M. Presley home.

Mr. and Mrs. R. H. Bradshaw left this week for Abilene where they will make their home.

W. J. Wooten was a business caller in Dallas Monday.

Maine's "cocktail college" was closed because pupils were too enthusiastic about sampling their own concoctions. That seems rather harsh on the stewdents.

Palo Duro Peeps

The Lutheran Congregation held their Annual Mission Rally, Sunday night. Rev. Bewie of Austin delivered the address, which covered mission principles.

Mr. and Mrs. Emil Albers were callers in the Herman Kuhlman home Friday.

Mr. and Mrs. C. W. Bauer of Johnson Community visited in the Leseberg residence Sunday.

Several families of this community attended the Circus at Amarillo Monday.

Miss Leona Bauer spent the week end with Betty Miller.

Mrs. Joe Tucek and family spent Sunday afternoon in the Gus Leseberg home.

Mrs. Pauline Wendelken is entertaining the Lutheran Ladies Aid, Thursday afternoon.

Mr. and Mrs. Odie Collins visited in the Herman Meyer home Sunday. They are also the proud owners of a new Plymouth car.

Mr. and Mrs. Henry Miller, Mr. Herman Meyer and Mrs. Pauline Wendelken attended the report on "The Lutheran Convention at Cleveland, Ohio," given by Rev. Hartenberger of Perryton, at Amarillo Monday night.

H. C. Roffey has returned from New Mexico where he has spent most of the summer. He assisted in the hog show at the Tri-State Fair at Amarillo last week.

Ray Robbins of Clarendon spent the week end with his mother, Mrs. Earl Robbins.

Umbarger Items

The card party held at the Parish Hall was well attended. This was the first party of the "Rummy 500" tournament. High prize was awarded to Mrs. Chas. Friemel, and door prize to W. P. Jansen. The second party will be on next Sunday, Oct. 6.

George Vorwald and Mr. and Mrs. R. Friemel spent Sunday afternoon in the John Bedenk home.

Mr. and Mrs. George Venhaus were the guests of Mr. and Mrs. Hollenstein, Sunday.

Business callers in Amarillo during the week were: Mr. and Mrs. John Batenhorst, Mr. and Mrs. Henry Batenhorst, Mr. and Mrs. R. Friemel, Mr. and Mrs. E. J. Evers, Mrs. T. Iribeck and L. Wieck.

A man, wearing only hat and shoes was found wandering on a Detroit golf course. There should be some sort of limit to this betting on holes.

MOVED!

Now located in office rear First State Bank building.

Glad to serve you when in need of an automobile loan.

HOT WATER

With Never A Glance At The Water Heater For Weeks!

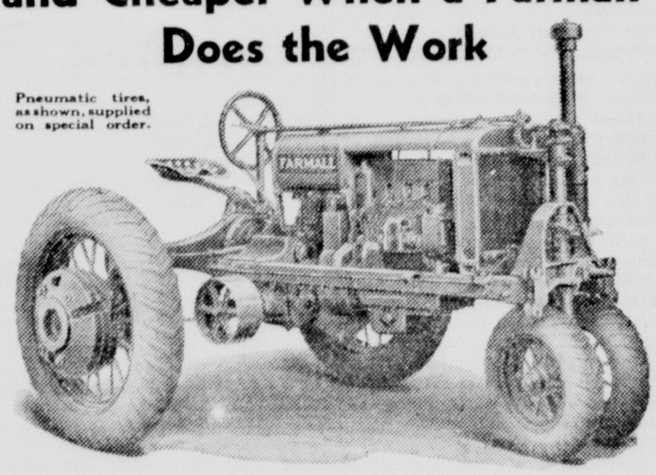
Automatic water heating is completely carefree with an Automatic Gas Storage Water Heater. You need never worry about the water getting too hot in the boiler: You know that your supply of hot water is there—faithfully, unerringly.

West Texas Gas Co.

"GOOD GAS WITH DEPENDABLE SERVICE"

Farming Is Much Easier and Cheaper When a Farmall Does the Work

Pneumatic tires, as shown, supplied on special order.



McCormick-Deering

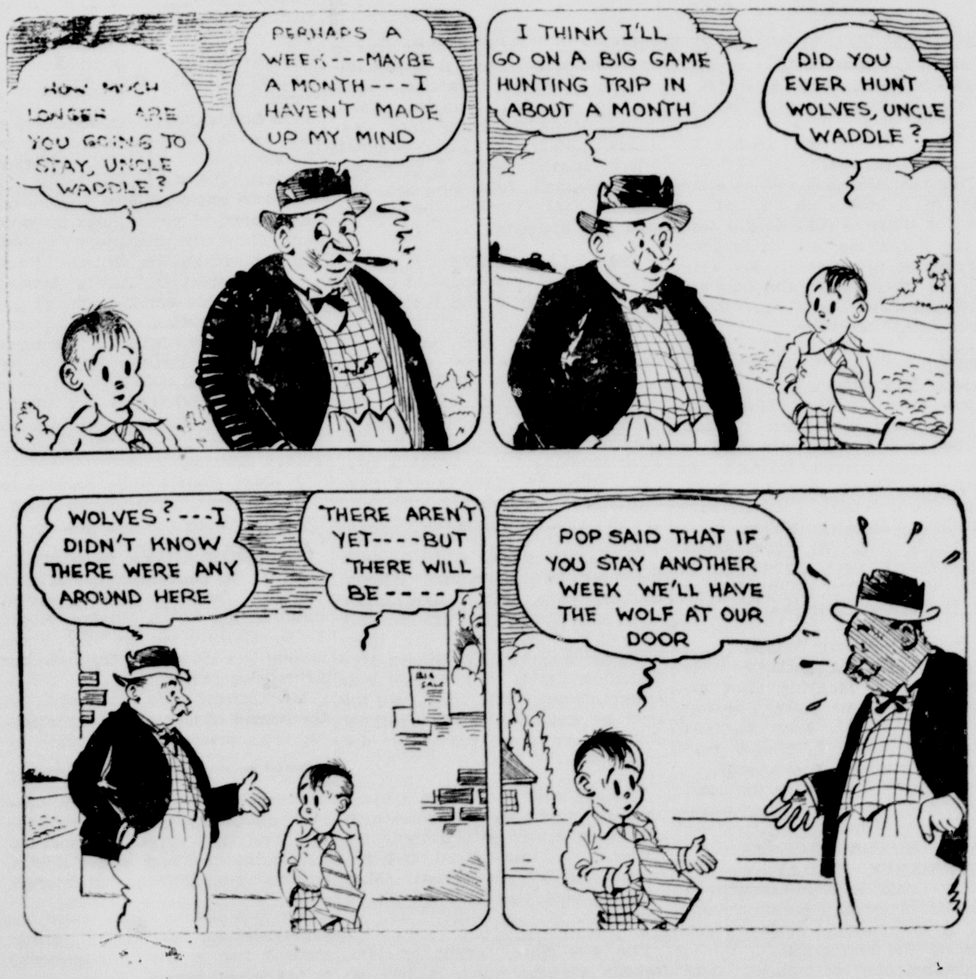
SPEED and flexibility are brought to the row-crop farm by the Farmall Tractor. It is so far ahead of horses when it comes to planting, cultivating, and doing other row-crop and general farming work that there is no comparison. And most important of all, Farmall farming means lower-cost farming.

Until you own and operate a Farmall you cannot appreciate the benefits and advantages of it. But just ask any Farmall owner about it. He is the man who is enthusiastic about the Farmall. He *knows*. He has farmed with horses and with the Farmall and you can bet that he isn't going back to horses.

If you want a real demonstration of the Farmall, call us up and we will arrange one for you. We'll show you how much easier it is to farm with a Farmall and why you cannot afford to be without one. There are three sizes—to fit the needs of any farm.

THOMPSON HARDWARE CO.

MAC — Uncle Waddle Better Start on His Trek — By Munch



HOW MUCH LONGER ARE YOU GOING TO STAY, UNCLE WADDLE?
PERHAPS A WEEK---MAYBE A MONTH---I HAVEN'T MADE UP MY MIND
I THINK I'LL GO ON A BIG GAME HUNTING TRIP IN ABOUT A MONTH
DID YOU EVER HUNT WOLVES, UNCLE WADDLE?
WOLVES?---I DIDN'T KNOW THERE WERE ANY AROUND HERE
THERE AREN'T YET----BUT THERE WILL BE----
POP SAID THAT IF YOU STAY ANOTHER WEEK WE'LL HAVE THE WOLF AT OUR DOOR

OH, JAMES FRANCIS DUGAN, YOU MUST TAKE YOUR DANCING LESSON NOW. MISS SKIME IS WAITING!
AND WE WERE GONNA MAKE HIM CAPTAIN OF OUR TEAM!
OH, MISS SKIME, HOW DO I DAWNCE ??
MOTHERS ARE LIKE THAT!

THE EAGLE'S TALE

VOL. NO. 10. CANYON, TEXAS, OCTOBER 3, 1935. NUMBER 4

Hot cha kids, we had another good football game, the pep squad pulled a stunt fer us, and back in schule thers two canidates runnin fer president, an the seniors wun the loyalty campaigne.

The Eagles played ther Tulia game all over agin with Panhandle, but they got the highest end of the score this time. Coach Jones agreed to by Les the biggest malt in town fer runnin such a long touchdown, but Coach Brown showed his appreshiashon by twistin his best hat, while Les was racin fer the goal line. I'll betcha the music is still ringin in the Eagles' ears that they heered that nite, even if it wus Panhandle's band, and it wont be long, till they'll have a Canyon band a playin fer um.

The pep squad was there a holdin ther job down, even if it wus cold, an they shore looked good at the half in that stunt.

Wal, whut do ye think about the canidates fer president, Mary Ella Davis and Hal Gamble? They shore is two good canidates, as Fay Plaster an Jack Taylor told us all about um in assembly too. Mr. Pope said thet the seniors wun the loyalty campaigne an it shore did make um feel good. They cud already see ther names on thet loving cup an wus already lookin ahead to see whut they'd do with ther cash prize.

Ed an Arnita, last years "cupids best," shore fooled me by bustin up an letin Gladys McBride beat um to the altar. Wal, anyway, Gladys, me an the schule kids hopes ye have good luck. Talkin about Ex-Eagles, they say Scoop an Shiek are goin to the mountuns in New Mexico to spend the money they made this summer.

When it comes bacy to football agin, all the classes fergit about ther campaignes an begin to root fer the Eagles, an they are all expectin Coach Jones to wad his hat up in the Canyon-Groom game Saturday nite.

CHILDREN ARE TO BE SEEN AND NOT HEARD

"They think that they shall be heard for their much speaking."

Is this what is wrong with some of the students of our high school? Is this why there is so much loud talking?

This noise is becoming so bad that in the lunchroom it is very hard to hear what the one sitting next to you is telling.

Are you a member of a group which when entering the building or any room in the building, greatly resembles a storm? Also it is sometimes remarked "You can tell what group is near by the noise it makes."

"Behavior is a mirror in which every one shows his image."

"The empty vessel makes the greatest sound."

FOOBALL ETIQUETTE

Q. Should the people on the side line make jeering remarks about the referee?

A. No. Such remarks stamp the spectator as entirely ignorant of proper conduct at a football game.

Q. Should a pep squad cheer when the referee penalizes the opposing team?

A. No. This is never done.

Q. Does a member of a pep squad have any responsibility other than that of making a noise?

A. Yes. A member of a pep squad represents the school before the eyes of the public and must conduct himself with this in mind. His duty, other than watching the game, is that of watching the pep squad leader closely and co-operating at all times.

Q. May one chew gum at a football game?

A. Yes. This is accepted.

Davis and Gamble Run For Student Council President

Mary Ella Davis and Hal Gamble led the Federalist and Anti-Federalits parties as candidates for the election of Student Council President. Fay Plaster and Jack Taylor are their business managers.

Jack Taylor introduced Mary Ella Davis who promised the student body a silver cup to the best all around class. She also wants the students to be represented in the faculty committee which plans assembly programs, and the radio and other forms of entertainment in the auditorium for the students at noon.

The Federalist party led by Hal Gamble, whose business manager is Fay Plaster, promised the basketball girls one day a week in the large gymnasium, the student body more say and do with the chapel program. Hal promised the pep squad ways to the out of town games if at all possible.

The assembly was opened by the pep squad's marching into the auditorium in their new uniforms. They sang two songs and gave several short yells.

Mr. Pope announced the seniors as winners of the Loyalty Campaigns.

Make-up System Will Be Changed

A new system for taking care of the absentees, tardies, and make-up slips is being launched at the school along with a new method of keeping records of the pupils' changing classes.

A pupil is issued a permit to class which has on it the date issued, the date absent or tardy, the name of the pupil, and the number of the make-up slip. A carbon copy is kept in the office. The make-up slip is given to the first period teacher and when the make-up work is finished, passed on to the teacher of the next period.

When the make-up work is finished for the last period teacher, it is sent to the office. A pupil must work from 3 to 4 o'clock each afternoon for the teacher holding his make-up slip.

When a pupil withdraws from a class or transfers to another one, a slip is given the former teacher with the name of the pupil and the cause of leaving. The teacher changes his roll, signs the slip, and sends it to the office.

These new methods are expected to improve greatly the records of both teacher and office with little extra work.

Willard Childers, a former student of Canyon High School, who recently received an injured shoulder playing football at Wayland, was in Canyon last Wednesday night.

Beulah Brasuel spent Sunday with her sister, Ethel Brasuel, in Mobeetie.

High School Principal Says—

In the September 19 issue of The Eagle's Tale, Miss Fronabarger gave an excellent discussion of the work of the Canyon Grade School in the production phase of the Texas Curriculum Revision Program. Work of this type is also being attempted by some teachers in the high school on the modified scale necessary in the present administrative set-up in secondary schools. Miss Fronabarger mentioned seeking the co-operation of the community. It is the purpose of this article to suggest ways in which the individual or the business firm can be of assistance to the school in this work.

In the first place, when a class begins a unit of work there are often many interesting bits of material in the possession of citizens that would be valuable to the class in the development of the unit. Some examples are old pictorial sections of newspapers, discarded picture books, old magazines, a steroscope and pictures, fraudulent checks or worthless stocks for commercial classes.

Then, too, a class often makes a study of a business. The kindness of the proprietor in allowing the pupils to visit his business during the dull period of the day is a delight to teacher and pupil alike.

It is surprising how few pupils have ever visited such places as the stock room of a firm, an elevator, an ice factory or a light plant. In these visits the pupils gain in experience while the firm gains in advertising.

Again, it is at times difficult to get transportation facilities for classes when the busses are not available. The patron in an hour in his car can often make possible projects that would otherwise never be attempted.

Finally, and most important, is the moral support that the patron can give the teacher and school in the new program. When it requires methods with which you are not familiar, a discussion of their merits with the supervisor or teacher will often avoid a criticism. Give the program a sporting chance to succeed.

Why this trouble by the patron of the school? Just this, the pupil is young and has difficulty in abstract thought. He needs something definite and concrete. In the study of ice manufacturing, a study of brine at low temperatures, gas compression, gas expansion, plant diagrams, and other factors in ice production are subjective and theoretical when taken from a text. But to take the temperature of the brine solution at the plant, to see the compressor work, to watch the cooling of the compressed gas, to scrape the frost from the pipes leading to the brine tanks is practical, objective, and interesting. Old and young alike, will grasp quickly the principles of the operations we find interesting.

May we urge your hearty co-operation in the school's efforts in the curriculum revision program.

EAGLES DEFEAT VISITING TEAM 7 TO 6 FRI. NITE

LISLE INTERCEPTS PASS AND RUNS 83 YARDS FOR TOUCHDOWN IN FINAL QUARTER.

Before hundreds of shivering spectators last Friday night the Eagles in fiction-like fashion held Canyon fans in terror of defeat until Lisle's final spectacular 83-yard run made the Panhandle Panthers losers by a score of 6 to 7.

Early in the first quarter the Panthers plunged and passed 40 yards to a touchdown, but failed to score the extra point.

The teams played about even until the last seven minutes of the game. Then Leslie Lisle, local hero, intercepted a pass and dashed 83 yards, tieing the score. Darwin Dobbs made a successful place kick for the extra point, giving Canyon 7 to 6 lead.

Canyon made 143 yards from scrimmage to 141 for Panhandle, nine first downs to eight for the Panthers. Canyon completed three of seven passes tried while the visitors completed four of the 13 passes thrown. The Panthers made three penetrations, to none for the Eagles.

At the half the Canyon High School Pep Squad, both the boys and girls, marched out on the field, double column, and formed a large C. The tips of the C were made of the white peps and eight members of the boys' pep squad. After the C was formed the squad went down and came up domino style.

Mrs. Lee Foster Instructs 28 In Private Lessons

Mrs. Lee Foster teacher of private music in Canyon Public Schools, is instructor of 28 pupils.

The grade school students have the larger number, there being 15, among which are: Mary Caroline Black, Beulah and Martha Hannah Hammond, Leroy Wooten, Anita Davis, Lucile Davis, Mary Ann Bellah, Annie Ruth Schmitz, Annie Lee Newlin, Edith Neff, Martha Frances Campbell, and John James Harter.

In the high school there are 7: Anna Katherine Overton, Mary Ella Davis, Renna Beth Bellah, Martha Jo Newlin, Marielle Oldham, and Mary Ellen and Helen Hurst.

Mable Schmitz, H. R. Fulton, Jr., Coystal and Jaculine Tabor, Bernard Warren and Fannie Alice Pierce are also pupils, but are not students of Canyon High School.

The ensemble group will be composed of Mary Ella Davis, Marielle Oldham, Martha Jo Newlin, and Renna Beth Bellah.

"The department plans to give eight recitals, one of which will be a costume recital, and also a musicale tea, during the school year," said Mrs. Foster.

Pep Club Receives New Suits Thurs.

The girls of the purple pep organization received their new northwestern purple uniforms last Thursday.

Mr. Clark, from the Williams Hardware Company in Amarillo who has been handling the business of the pep squad, brought the new sweaters and the material for the skirts, which he measured off and gave each girl. The sweaters are shirt-waist style and have a pocket bearing letters of C. H. S. in white, while the purple skirts are made perfectly plain with a pleat on each side. Mrs. Lee Foster, pep squad sponsor, was given a uniform by the pep squad girls like the girls' uniforms with the word sponsor on the sleeve of the sweater. The girls made their first appearance in their new uniforms during the assembly program last Friday. The girls of the white pep squad received their suits a few days earlier.

Miss Lois Goodrich visited her aunt and uncle, Mr. and Mrs. A. A. Suits of Plainview last Saturday night, and spent Sunday with her grandmother, Mrs. J. H. Henson and her younger sister, Bonnie Faye Goodrich, both of Lockney.

FOOTBALL SCHEDULE

Lefors at Canyon—Sept. 21
Panhandle at Canyon—Sept. 27
Groom at Canyon—Oct. 5.
Perryton at Canyon—Oct. 12
Tulia at Tulia—Oct. 18
Happy at Happy—Oct. 25
Amarillo Yannigans—Nov. 1
Hereford at Canyon—Nov. 8

Who's Who In The Faculty

"I like to hunt, fish, play tennis, and play checkers," related Mr. R. G. Stephenson, grade teacher and band director in Canyon Public Schools.

He also said that he liked to radio, read the newspapers, and work in the science laboratory.

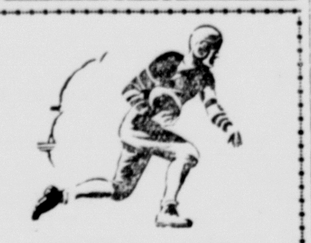
Mr. Stephenson's ambition is to be a better teacher and band director.

In Abilene High School, Mr. Stephenson made the highest grade among the boys and was awarded the scholarship. He played in the band while in high school.

During Mr. Stephenson's four years at Hardin-Simmons University, he played in the band, and in his senior year was awarded a medal for being the most valuable member in the band. This medal is awarded by a scholarship society and only juniors and seniors are eligible. The bandmaster and school records decide the winner.

"Books on psychology are of great interest to me," said Mr. Stephenson, having recently finished "Marks of an Educated Man," by Edgar Wiggan.

When asked the type of women he liked, he said, "I like a woman that doesn't talk much, but will sit back and let me do the talking."



GRIDIRON GOSSIP

Here's some results from opposing teams last week: Borger lost to Hereford 12 to 13; White Deer beat Happy 36 to 6; Plainview beat Tulia 52 to 0; and Perryton beat Dumas 21 to 0. The Eagles' schedule includes Hereford, Happy, Tulia, and Perryton this season.

The Panthers appeared to have a heavier and more experienced team last Friday night, but the Eagles showed them just who they were playing when they intercepted a pass and ran about 80 yards for a touchdown.

The game Saturday will be with the Groom Tigers. Last year the Eagles won over these boys by a score of 19 to 0, but you never can tell what changes can be made in a year.

So far the Eagles have been getting good support from the townpeople as well as nearly 100% of the students.

The band will soon be under way and the Boys' Pep Squad is progressing rapidly, so we will soon have a well organized rooting section.

The Eagles have really got a fighting bunch of players, so let's every one be out Saturday night and let the team know we're behind them.

Seniors Take Two Awards In Annual Loyalty Campaign

The Seniors won the two successive weeks of the Annual Loyalty campaign. Last Friday they turned in $8.90 which amounted to 30c per person collected that week.

The Juniors and Sophomores were second, both with an average of 26c per person. The Freshmen were last with 10c for each person.

For the two weeks campaign, the Seniors sold $37.50 worth of season tickets. The first week the Senior class won with an average of $1.00 per student and had the honor of having its name engraved on the Loyalty Campaign cup for 1935-36. The second week they received the cash prize of $2.50.

Last Period Finds Chem. Interest High

During the last period in the afternoon, the chemistry class has been performing a number of experiments under the direction of Mr. Aubrey Fox, science instructor.

The class spent one period working with glass tubing. The students learned two things in general about glass tubing: how to cut tubing and how to bend it.

Learning how to cut tubing is very essential to the students, because often the different lengths of tubing are needed to perform a certain expeeriment. The same holds true in bending tubing, because many different shaped instruments are necessary in carrying on assigned work in the laboratory.

Supt. I. B. Carruth Speaks at P. T. A.

The P. T. A. met last Tuesday night in the high school auditorium.

Supt. I. B. Carruth gave a talk on his trip to Europe. A piano selection, "Marche by Kowaski," was played by Mrs. Lee Foster. Miss Edith Shields gave a reading.

The executive committee has appointed the following chairmen of committees:

Mrs. Ray Campbell, membership committee; Miss Elva Fronabarger, program committee; Miss Lois Goodrich, publicity; Mrs. Irby Carruth, financial; Mrs. Frank Hicks, social chairman; Mrs. A. W. Sternenberg, parliamentarian; Mrs. D. A. Nicholas and Mrs. Joe Frank, study group leaders; Mrs. H. A. Brown, leader of Mother Singers.

After the meeting, a social was given in the gymnasium. The members of the faculty and the chairmen of the committees were in the receiving line. Refreshments of cake and coffee were served.

Ethel Ruth Collins, '29, now teaching in Amarillo, visited with her mother, Mrs. T. W. Collins, over the week-end.

EAGLES MEET GROOM TIGERS SATURDAY NITE

BUFFALO FIELD TO BE SCENE FOR GAME UNDER LIGHTS; EAGLES EAGER FOR COMING FRACAS WITH TIGERS.

After a thrilling victory over Panhandle last week, the Canyon Eagles will test their skill against the powerful Groom Tigers Saturday night at 8 o'clock.

During the 1934 season the Eagles defeated the Tigers by a one-sided score of 19 to 0, but the Tigers are reported to have a much stronger team than they did last season.

Coach Jones has been putting the boys through a great deal of offensive drilling during the last week, and they are expected to be in perfect form for the coming fray with the Tigers.

Eagle line up:

Player	Pos	Wt.	No.
Harris	R. E.	160	40
Bewley	R. T.	175	44
Wilkinson	R. G.	155	38
Rusk	C.	140	32
Avent	L. G.	165	42
Burrus	L. T.	165	43
W. Cox (c)	L. E.	185	47
Lisle	R. H.	145	39
S. Cox	L. H.	190	46
Dobbs	F. B.	140	34
Johnson	Q.	145	41

Teachers Study To Begin Thursday

With classes starting tonight the faculty of Canyon High School will take a course in Curriculum Production under Dr. R. P. Jarrett, head of the department of Education of W. T.

According to Supt. I. B. Carruth the classes will probably meet every other Thursday night from 7:30 until 10 o'clock. The course deals mainly with unit planning and unit writing. The course will go toward graduate and undergraduate work.

Two Girls Assist In Office Work

Miss Mildred Lindsey and Miss Norma Kidd, students in W. T., working in the NYA quota, do stenographic work in Superintendent I. B. Carruth's and Principal John B. Pope's offices from 2:30 to 6 o'clock.

Miss Lindsey, who is doing stenographic work in Principal John B. Pope's office, is a junior in W. T. and is staying at Randall Hall. She works on Wednesday, Friday, and Saturday. Miss Lindsey is from Memphis.

Miss Kidd is doing stenographic work in Superintendent I. B. Carruth's office, where she has been working since school started. Miss Kidd is from Pampa, and is staying with Mrs. Hew Edwards at 2001 5th Avenue.

Instructive Talks Given By Carruth

Having been fortunate enough to visit in Europe this past summer, Supt. I. B. Carruth has made use of this privilege by making a number of talks since his return home.

On Sunday, Sept. 22, he made a talk on the 'Religious Outlook in Russia" at the Presbyterian Church. Last Sunday night he talked to the Methodist League on the subject of young folks in England, Germany, and Russia, stressing particularly the attitude of the young people in Russia toward religion. This coming Sunday he is to make a talk on the Government and Problems of Germany at the First Christian Church.

CARRUTH TO TALK ON TRIP

Supt I. B. Carruth will talk on his trip to Europe in assembly Friday afternoon.

A short time will be devoted to group singing. The public is invited to attend.

BURROW GIVES PENCILS

Mr. C. R. Burrow of the Burrow Lumber Company gave several hundred pencils to Superintendent I. B. Carruth to be distributed among the students. They are for advertising purposes.

Mr. Carruth put the pencils in the school offices and is distributing them among the students.

Grades In Review

GRADE CLASSES NAME OFFICERS

The elementary grades have elected their class officers for the first semester.

The seventh grade, with Mr. R. G. Stephenson, sponsor, has elected Fern Walters for its president; vice president, Billy Jo Hunter; secretary, Dorthy Mills; treasurer, Anna Ruth Schmitz; program chairman, Mary Bourn.

The 6A, sponsored by Miss Lenna Foster, has selected its officers. Katy Jean Slack is president; Dawson Little, vice president, and Claribel Newberry, secretary and treasurer.

Mr. Gerald Brown sponsors 6B, which has elected J. R. Brooks for president, Edith Neff, vice president; Jesse Bewley, secretary and treasurer, and Oren McBroom, sargeant at arms.

The 5A class, under the sponsorship of Mrs. John Davis, has elected for president, Stanley Thorp; vice president, Leroy Wooten; secretary, Dorthy Anderson.

The 5B class, with Miss Edith Shields as sponsor, has elected for officers: Dorthy Zachry, president; James Wright, vice president, and Rex Gamble, secretary.

FIFTH GRADE ENGLISH CLASS STARTS CLUB

5-B English class, taught by Miss Annis Smith, has started an English club under the direction of Dorthy Zachry, president; James Wright, vice president; Rex Gamble, secretary; Fern Tucker, chairman of the program committee. The club objectives for this year are to improve as a speaker and to learn to be courteous to an audience; to learn to be a good audience; to attend to class business; to learn to do ones part; to study good poems.

Their first meeting will be Friday. They will study poems.

LENNA GOSTER ENTERTAINS WITH WAFFLE SUPPER

Miss Lenna Foster, grade school English teacher, entertained a group of the other grade school teachers with a waffle supper at her home last Friday night. Immediately following they all attended the football game played at Buffalo Stadium. Those present were: Misses Elva Fronabarger, Ann Smith, Gladys McClanahan, Virginia Jarrett, Ruth Greenfield, Gwendolyn Black, and the hostess.

Anna Mayo Sharp, a former student of Canyon High School, now attending school in Tulia, visited with her aunt, Mrs. R. McGee, week-end before last.

Mr. John B. Pope and family, spent Sunday at his farm near Dimmitt and visited his mother in Plainview.

Lillian Davis, '29 and Ethel Brasuel, '30, now teaching in Mobeetie, spent Friday night and Saturday at their homes in Canyon.

Sarah Bonnie Bourn, Lavena Watkins and Bill Price, an ex-student of '35, were in Amarillo Saturday night.

Mrs. Stella Murrell, and Mrs. T. W. Collins went to Amarillo last Wednesday afternoon.

Society and Clubs

LIBRARY CLUB MEETS AND DISCUSSES PLANS OF YEAR

The library club met Tuesday afternoon at 3 o'clock in the library, to organize and discuss the plans for the year.

This year the club will be somewhat of a book club and will be open to students that do not work in the library as well as to those working in the library. Mr. John B. Pope has reserved the first and third Tuesday of every month for library staff meetings.

NEWLIN ENTERTAINS WITH DANCE SATURDAY

Last Saturday night Martha Jo Newlin entertained with a dance at her home. Refreshments of punch were served through the evening. Those dancing were: Mary Horn, Natalie Flesher, Billy Greenfield, Marjorie Wilkinson, J. C. Bellah, John B. Pope, Jackie Pitts, Renna Beth Bellah, Leslie Lisle, Wesley Cox, Billy Bewley, and the hostess, Martha Jo.

GLADYS McBRIDE WEDS DICK SMITH, SATURDAY

Miss Gladys McBride, first ex-student of '35 to marry, became Mrs. Dick Smith last Saturday night, Rev. Chas. L. Dickey performed the marriage ceremony.

The couple is going to the coast where they will make their home.

LITTLE HONORS GUESTS WITH DANCE, FRIDAY

Polly Little entertained with a dance in honor of Geraldine Bobbitt of Panhandle, Friday night following the ball game.

Refreshments of punch and sandwiches were served to the following: Carolyn Mayfield, Jack Taylor, Wandell Johnson, Evelyn Cluck, Hampton Lisle, Jack Jennings, Mary Collins, Kenneth Black, Darwin Dobbs, J. C. Bellah, Kate Donnell, John B. Pope, Jack Inman, Hal Gamble, the hostess and the honorees.

RADIO CLUB MEETS

The Morse Code was the subject of the meeting of the Radio Club yesterday.

The members are learning to send and recieve the code under the supervision of Aubry L. Fox, sponsor. According to Mr. Fox several of the members are able to send and receive exceptionally well after studying for so short a period. Some of the members have constructed sending machines and are practicing at home.

The grade school is receiving a new set of elementary manual training tools. Mr. Milton Kiker and Mr. Ike Steen are making carpenter benches for the room formerly used by Miss Gladys McClanahan. It is to be turned into a work room. The room will be used by any of the grade school children at any time they are needed.

The 6-A class is to have a party Saturday night at 7:30 o'clock in the grade school gymnasium.

Games will be played and refreshments will be served. Miss Lenna Foster, the teacher, will be present.

The 4-B class, taught by Mrs. Isabelle Cousins, made a trip to the depot Wednesday. They have been studying ways of transportation and they expect to find out how trains run; how to buy tickets, and many other things of interest.

The 7-B history class under the supervision of Mr. Gerald Brown made a trip to the museum today in the school busses.

Pleasantview News

Rusk Quizzes

Mr. and Mrs. J. T. Sykes made a trip to Portales last week.

Glenn Pearsons spent the week end with James Hines.

Mr. and Mrs. Virgil Dawdy and family and Mr. and Mrs. Orva Henry and family spent Sunday in the H. W. Dawdy home.

Leon Smith visited Alfred Babb Sunday.

Mr. and Mrs. Frank Stockhaus spent Sunday with Mr. and Mrs. R. N. Henry.

Mr. and Mrs. C. G. Stalling visited Mr. and Mrs. J. T. Sykes Sunday afternoon.

Mr. and Mrs. O. A. Smith spent Sunday with Mr. and Mrs. Raymond Campbell.

Wilson Items

Lewis Tucek, who has been quite ill the past month, was able to enter school Monday.

J. L. Buchanan spent the week end in Merkel where he visited his brother, W. B. Buchanan.

Mr. and Mrs. C. H. Beckman and family, Mr. Emke, Mrs. L. Brandt, Mr. and Mrs. J. L. Brandt and family, Mr. and Mrs. Clark Ash and son, Mr. and Mrs. E. Hollenstein, Miss Catherine Sibley and Bill Frank were dinner guests of Mr. and Mrs. George Frank, Sunday.

Mrs. Joe Tucek and family spent Sunday with Mr. and Mrs. Gus Leseberg.

Mr. and Mrs. W. H. Neal and daughter, Mrs. Buster Henson of Hereford spent the week end in the home of their son and brother, Brewer Neal of Luder.

Mrs. J. L. Buchanan and Mrs. J. C. McDaniels of Canyon visited in Amarillo Monday.

Mr. and Mrs. George Backus and Mr. and Mrs. Leise Backus of Nazareth spent Sunday with Mr. and Mrs. Albert Venhaus.

Mr. and Mrs. Frank Harrison and little daughter, Bobby Ann, visited in the L. H. Holman home Saturday evening.

Mr. and Mrs. Otto Skarke and family were Amarillo visitors Friday.

Mr. and Mrs. Francis Haynes, Mr. and Mrs. Desent, and Miss Rosel Maddox were guests in the J. L. Buchanan home Sunday.

Wayside Items

Last day of September is quite warm. Some frost, very light past week, heard of thin ice. A few warm days will help to mature growing crops.

Lots of wheat still to be sown. Some not through breaking wheat ground.

Some very fine row crops. Here's hoping stock of all kinds will winter well.

Rev. Foster of the Assembly of God Church in Amarillo, gave Waysiders an excellent address Sunday afternoon. Good music was rendered by the choir.

People of Wayside met at the school building a week ago Friday and organized a Parent Teachers Association. Harvey Newsom was elected president; Mr. Horn, vice-president; Mrs. H. L. Harral, secretary and treasurer. They are to meet once every two weeks.

A negro minstrel program by Wayside community will be staged Oct. 4, on Friday night.

Walter Butler of Buckhorn, N. M., visited relatives at Happy and Wayside the past few days, leaving Monday for home.

Will Modisette of Blanco, Okla., has been employed by W. C. McGehee.

Jowell Items

A large crowd enjoyed the singing at the Mr. and Mrs. J. J. Leavitt home Sunday evening.

Dorothy Mae Cope spent Sunday with Mary Helen Stubblefield of Happy.

Mr. and Mrs. Adams of Waco are visiting with Mr. and Mrs. Guestler Bonds.

Mr. and Mrs. Guestler Bonds visited with Mr. and Mrs. Elrod who have recently moved into this community.

Mr. and Mrs. Leavitt and family and Mr. and Mrs. O. M. Scott spent Sunday afternoon in the Carl W. Smith home.

Mrs. Brigman and daughter, Helen, arrived Wednesday from Fort Worth. They are visiting with Mrs. Brigman's mother, Mrs. Garvin.

Mr. and Mrs. N. W. Livesay visited relatives at Wildorado Sunday.

Mr. and Mrs. G. A. Dietz are the proud parents of a baby girl, born Sept. 27. She has been christened Delores Pauline.

Mr. and Mrs. Forrester Hollabaugh and Warren Curry visited Mr. and Mrs. I. H. Hollabaugh and family Sunday evening.

Laurence Hinders of Middlewater visited with his brother, Louis Hinders, Friday.

Mr. and Mrs. Joe Cox had as dinner guests Sunday, Mr. and Mrs. Armstrong and children of Happy, and Mr. and Mrs. Virgil Dodson.

Andrew Bigman of Temple visited with his uncle and aunt, Mr. and Mrs. Louis Hinders last week.

Dinner guests in the L. B. Hinders home Sunday were Raymond Garvin, Mrs. Brigman and Helen, and Mr. and Mrs. Garvin.

Mr. and Mrs. Elrod visited with Mr. and Mrs. T. J. Bonds and family.

Johnson Items

Mr. and Mrs. L. F. Spiser and children, Frederick, Ardelle and Arthur, made a business trip to Happy Saturday morning.

Miss Leona Bauer spent the week end with Bettye Ann Miller of Canyon.

Mr. and Mrs. E. B. Harvey and Lula Spiser spent the week end in Brownfield visiting friends and relatives.

Mr. and Mrs. C. W. Bauer and son, Leonard, were business callers in Canyon Saturday.

Mrs. Albert Goettsch and daughters of Arkansas have been spending the last few days in the E. J. Bauer home.

Miss Luella Spiser spent Friday in the Glenn Dowlen home.

Dorothy and Margie Bauer spent Saturday in Happy.

Ardelle Spiser attended the party in the Finis Brazil home Saturday evening and spent Saturday night with Nora Lee Brazil.

J. J. Bauer attended the commissioner's convention in Amarillo Friday.

Lula Spiser is spending this week in the Lewis Harvey home near Arney.

Mrs. Lewis Harvey was a caller in the L. F. Spiser home Monday.

Mr. and Mrs. E. J. Bauer and family and Mrs. Albert Goettsch and children attended the circus in Amarillo Monday afternoon.

Mr. and Mrs. J. J. Bauer and Mrs. E. B. Harvey were business callers in Amarillo Monday.

Mr. and Mrs. C. W. Bauer and family visited in the parental Gus Leseberg home, Sunday.

Mr. and Mrs. I. L. Bauer and daughters, Una and Mary Alice, and J. J. Bauer attended the Lubbock fair Saturday.

Mr. and Mrs. E. J. Bauer were business callers in Amarillo Friday.

Those in Canyon Saturday afternoon were Mr. and Mrs. Clarence J. Bauer, Mr. and Mrs. L. F. Spiser and children, Frederick, Luella and Mabel.

Mrs. E. J. Bauer entertained a large number of relatives and friends Sunday with a delightful birthday dinner in honor of her husband, E. J. Bauer; her brother, Albert Goettsch of Arkansas; her sister, Mrs. John Ebeling; and her mother-in-law, Mrs. J. J. Bauer.

Franklin Bauer spent Saturday with Willard Spiser.

Mr. and Mrs. C. W. Bauer and Mrs. L. F. Spiser were at the Lubbock Fair Friday.

J. J. Bauer, Irvin Bauer, and C. W. Bauer were business callers in Amarillo Wednesday.

The Johnson 4-H club met Tuesday morning with Dorothy Bauer. The club was reorganized with Ardelle Spiser elected president; Dorothy Bauer, vice president; Evelyn Bauer, secretary and treasurer; Elsie Bauer, reporter; and Margie Bauer, song leader.

Leroy Bauer spent Saturday with his grandmother, Mrs. J. J. Bauer.

Mrs. Gus Leseberg ,Sr. and Raymond Tucek were visitors in the C. W. Bauer home Thursday.

Mr. and Mrs. E. J. Bauer, Dorothy Bauer, Mrs. Albert Goettsch and daughter Katherine Mae, and J. J. Bauer attended the fair in Lubbock Thursday.

Ardelle Spiser spent Wednesday evening in the Glenn Dowlen home.

METHODIST CHURCH

The officers and teachers of the Church School will be publicly installed next Sunday morning in the closing program of the Church School service. Let every class have a 100% attendance. Several of the members have said that the two past Sundays have been two of the greatest in the history of the church. It is possible to continue such a record, and the pastor thinks that it can be beat.

J. O. Quattlebaum, Jr., Pastor.

PRESBYTERIAN CHURCH

Church School at 9:45. Promotion day. Program by the Junior Department.

Morning worship at 11. Anyone desiring to unite with the Church will please meet with the Session at 10:30.

Y. P. C. E. at 6:30.

Evening service at 7:30. A musical program of Spirituals will be presented by a CCC quartet.

POLYMERIZATION

A Supreme Achievement in Gasoline Chemistry

An Amazing Stride Forward in Gasoline Quality

THIS is the story of a new . . . decidedly different . . . decisively superior gasoline.

A gasoline made by a process utterly novel in the petroleum industry.

A process developed, proved, and perfected in the Phillips laboratories and refineries. A process which not only gives you a vastly improved motor fuel, but also plays an important part in conserving our country's valuable petroleum reserves.

Pioneered by Phillips, this miracle of modern chemistry rearranges the atoms of high-explosive vapors and transforms them into stable, high-octane, outstandingly active gasoline.

This is the superlative product which will now enrich and fortify every gallon of Phillips 66.

The result is a gasoline more obedient to your wishes than ever before . . . a gasoline which actually steps up pick-up and peps up power still further . . . a gasoline which yields more mileage because it gives up more of its energy to each piston stroke . . . a gasoline so lively that it sets new records for fast starting.

Note well the name of the process: Polymerization—or POLY, for short. Mark the word well in your memory, because it is acclaimed as today's greatest advance in gasoline manufacture. Never before in the history of refining has any invention excited so much attention and interest. Again, Phillips has blazed a new trail! Again, Phillips leads in lifting the quality of motor fuel to higher levels of performance and value!

Remember, Phillips 66 is everything it has always been, PLUS! That "plus" is POLY. Hence, when you *Phill-up with Phillips 66 POLYmerized*, at no increase in cost, you can confidently expect that this greater gasoline will set new standards of service and value for your money.

Inevitably, this sensational gasoline will be the talk of motordom. It is now obtainable at all Phillips 66 Stations. Why not be among the first to try a tankful, and benefit from its unrivaled excellence and economy?

Phillips 77 AVIATION

PHILLIPS 77 AVIATION POLYmerized

2¢ extra per gallon

Today's Biggest Value in Premium Gasoline

AN INVITATION FROM THE PRESIDENT

Polymerization is a scientific revolution in the making of gasoline. This newly invented process produces premium quality motor fuel, not by physical separation of the crude petroleum as heretofore, but by *chemical reconstruction* of the lighter gases.

Based on my 31 years' experience in the oil business, I can assure you that *Phillips Gasoline plus POLYmerization* is the finest motor fuel that can be produced by the most modern refinery methods.

I invite you to try a tankful of this unprecedented gasoline. After you do so, I will be glad to have you write me any comments you care to make.

Frank Phillips

PRESIDENT, PHILLIPS PETROLEUM COMPANY, BARTLESVILLE, OKLA.

WARREN JOHNSON,

PHONES 10 AND 71

Visiting Pastor Talks Tuesday at Rotary Luncheon

"Rotary is the referee in the community to see that every fellow has his chance," stated Rev. B. N. Shepherd, pastor of the Hereford Baptist Church, who spoke at the Rotary Club luncheon. "The Rotary Code of Ethics is the highest of any of the service clubs," stated the speaker.

Rev. Shepherd was introduced by Rev. J. R. Hicks of the local Baptist church, who extended an invitation to Rotarians to attend the meeting in progress at the Baptist church where Rev. Shepherd is doing the preaching. "We are having good crowds and good sermons," stated Rev. Hicks.

Rev. Shepherd brought greetings from Hereford. "Our people are greatly interested in Canyon, especially the splendid College where so many of our young people are attending," stated the speaker.

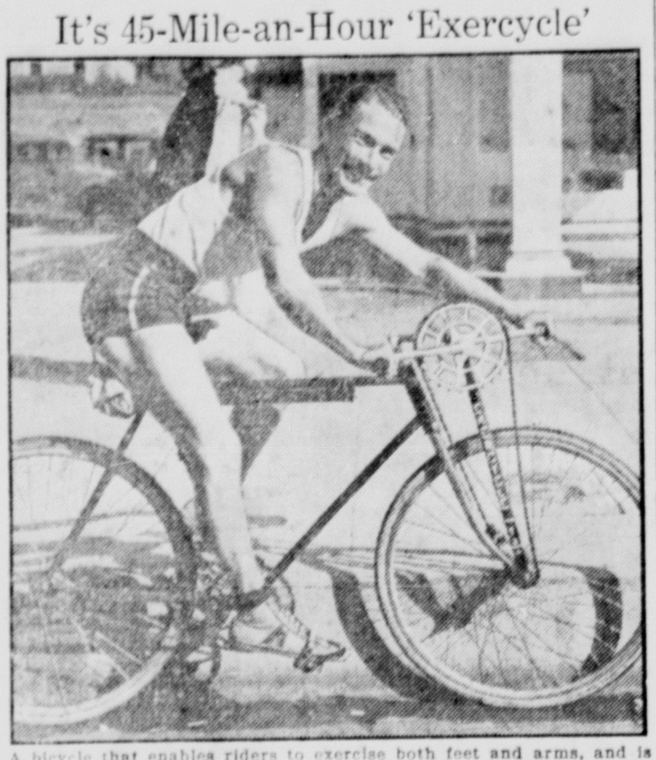
Speaking along the line of what a service club may do for the community and the churches, the speaker developed the thought that every representative business and professional man who are chosen as members of service clubs seek to reproduce other men of an equally high standing in the community.

"The churches cannot get any place without the men of your club," stated the speaker in urging co-operation with these institutions. "Give the churches your moral and financial support. Back your community, give it your full support. Support your schools and your churches, and above all extend the Golden Rule to all men," was the advice of the speaker.

Visitors present were: Rev. Shepherd, Rev. Hicks, and Hosea Foster.

Mr. and Mrs. Roy Long were week end guests in the home of his parents, Mr. and Mrs. Henry Long. Roy Long and wife are teaching in Wheeler county.

It's 45-Mile-an-Hour 'Exercycle'



A bicycle that enables riders to exercise both feet and arms, and is said to be capable of a 45-mile-an-hour speed, is pictured above with its inventor, S. J. Hamilton of Los Angeles, in the saddle. With his "exercycle," Hamilton claims he made a round trip to San Diego—a distance of 280 miles—in one day.

Tamarack Wanted For Hedges By Cemetry Ass'n.

The Cemetery Association is making a drive for tamarack, more commonly known as salt cedar, roots or shoots for the purpose of planting hedges along the north and south sides of Dreamland Cemetery.

A great improvement has been made in the Cemetery grounds this year through the diligent work of the members of the association, and the hedges would add materially to the improvement already started. If you have any plants for hedging call Mrs. Clyde McElroy or Mrs. Levi Cole, who will arrange for the shoots to be dug and taken to the cemetery.

Mr. and Mrs. Lige Frieze went to Morton Sunday where they visited in the home of Mrs. Frieze's sister.

Miss Lucile Barnett of Crosbyton is a visitor in the Bob Steen home.

Post Office

(Continued from first page)

abstract and deed approved, which might take from 90 to 120 days. Following this the department would have to find the money before the building could be started. The inspector pointed to cases in neighboring towns where buildings had not followed in many years after securing the sites.

The last session of congress passed a bill which will greatly facilitate the securing of sites. After the site is approved and agreement reached as to the price, the government can file a friendly condemnation suit in any federal court, and start the improvements at once. In this case there is no need of a deed or abstract, since the proceedings will clear the title without further controversy.

"The money is available for the postoffice building in Canyon," stated the inspector. "As soon as the site is secured, and the architects complete the plans, there is no reason why bids should not be called for the construction. The type of building will be determined by the growth which the department may reasonably expect in Canyon during the coming years."

All sites which did not contain a quarter block were ruled out by the inspector, since this was the amount of land asked for in the bids. Several bids filed did not contain the necessary quarter block.

Citizens of Canyon will be anxiously awaiting the selection of the site, and this may reasonably be expected during the coming month.

The government architects secured certain information last week regarding the space needed in the building, indicating that there will be no delay in getting out the plans for the building.

Dr. and Mrs. J. A. Hill went to Austin Sunday, and will return Friday. Dr. Hill is representing W. T. before the legislature.

Miss Ruth Wells, who is teaching near Pampa, visited friends in Canyon over the week end.

Canyon Golf Team Defeated Sunday By Wolflin Club

Canyon golfers were defeated at the Wolflin Club Sunday by a score of 50½ to 15½.

Canyon will go to Tulia next Sunday, and on Oct. 13 Wolflin will play in Canyon. Wolflin has never won a match on the Canyon course, and the locals expect to continue the record in the next meet.

Dairymen

(Continued from page one)

Jan. 28, 1928. At the organization meeting, the amount of dues was set at one dollar per year. During the seven years, the Association has had only four presidents and three secretaries. The four men who have served as President are: J. P. Upchurch, M. H. Rockwell, J. W. McCrerey, and Albert Byars. The three men who have served as secretary are: G. T. Lair, Albert Byars, and L. T. Campbell.

"It is estimated that savings amounting to over $11,000 per year have resulted from the co-operative efforts of the members in selling their products. The figures for money benefits mentioned above have been and are considered by most of the members to be very low estimates. This organization has been a very great asset to the community, in addition to the actual benefits in profits to its members.

"Improvements have been made in methods of production and in sanitation methods connected with the handling of whole milk for the Amarillo and Canyon markets.

"Due very largely to the efforts of the Randall County Dairymen's Association in improving the quality of Grade-A Raw milk sold in Canyon and Amarillo, these two cities are leading the state of Texas in sanitary rating under the rating adopted for the Standard Milk Ordinance.

"One of the accomplishments of the Association has been the co-operative testing of cattle. This has been done through the pool arrangement each year since 1929. In that time, there has been 9,790 individual cow tests for tuberculosis made on cows owned by the members. The co-operative arrangement has resulted in a saving of at least twenty cents per head on each test. Estimated at twenty cents, this would make a net saving of $1,958.20, besides benefits derived by the community as a whole. A great many other cattle were tested for non-members. This was done at a saving to other dairy cow owners outside the Dairy Association. In many cases, dairy cows would not have been tested for tuberculosis had it not been for the efforts of the Association. In several cases, these have been family cows where small children lived. The free test in the spring of 1934, under the CWA project, would not have been done had not the Association been organized and ready to start the work on a few hours' notice. Randall County was the only county in Texas that finished the CWA project test in the time allotted for this work.

"When the drouth of 1934 came along, it found us over-stocked with cattle and no feed with which to keep them. On June 12, the Agricultural Adjustment Administration announced a plan for buying surplus cattle. This plan took weeks to get under way in some sections. In Randall County the first step was to call a meeting of the Dairy Association. This was done on June 12. On June 13 we were buying cattle. This enabled us to get started on the job without loss of time and to get over 6,000 of our surplus dairy cattle sold before buying was halted.

"Over 11,000 cattle were taken out of the county before the program ended. This reduction certainly was a big factor in enabling owners to feed the balance of their herds through the winter of 1934-35. The program could not have been so satisfactorily executed had it not been for the fact that we had an organization that could be called on to act on very short notice, and whose members could be depended upon to understand the organization's procedure."

The membership of the Dairymen's Association has remained almost constant, at about sixty members during the drouth and depression years. Regular meetings are held on the first Tuesday night in each month, and at least two social meetings are held each year.

Miss Lila Beth Burroughs spent the week end at the parental E. Burroughs home. She returned Sunday evening to her school work at Elida, New Mexico.

EPISCOPAL CHURCH

There will be the usual service of Evening Prayer at this church, next Sunday night, Oct. 6, at eight o'clock, conducted by the Rev. Warwick Aiken, of Plainview, who will also deliver the sermon.

Everyone is cordially invited to attend this service, and to meet the minister afterwards at the Little House of Fellowship.

CLASSIFIED ADVERTISING

Classified rates are two cents per word for the first insertion, and one cent per word for each subsequent insertion. This rate applies to all legal notices.

All classified advertisements must be paid in advance unless arrangements are made in person to care for the payment of them. Classified ads received through the mail will not be published unless accompanied by the cost of insertion.

Word ads intelligently—do not try to save a few cents by leaving out necessary words; tell who, what, where, and, if essential, when and why.

Buffaloes

(Continued from first page)

standing junior college football. The Buffalo linemen that face this "hombre" will certainly have a busy evening.

Bray and Wilkinson play tackle, also, and leave nothing to be desired in the way of tackle playing. Bray weighs 185 pounds and is the biggest "ballyhooed" man on the roster. Wilkinson weighs 224 and is no dumb bunny when he gets in there. He also kicks off, most of the time.

Rhome and Isbell guard the wings for the Rams. Both men are adept at pass receiving. Rhome received all-state mention several years ago, and Isbell was all-city end at Poly high school in Fort Worth. Baldy Armstrong of Poly is also showing plenty in the way of end play, and will not doubt see much action against the Buffaloes.

J. D. Stroud, former Cleburne high school star, packs plenty of power drives in his 190 pounds. He plays fullback and does some of the passing and most of the punting.

The Buffaloes are working day and night to make the Rams' visit a "hot one." Coach Baggett is sending his charges through long daily workouts that consist of tackling, passing, punting, signal running, dummy scrimmage, and skull practice. It is the aim of Coach Baggett to have one of the best drilled teams, fundamentally, that he has ever had. If his men know the fundamentals, game after game will take care of themselves, and the season's record will take care of all.

To the question, "Do you take this woman . . ." a certain orchestra leader is expected to respond "Yowsah."

Women who try to keep young find the only people who can beat time are musicians.

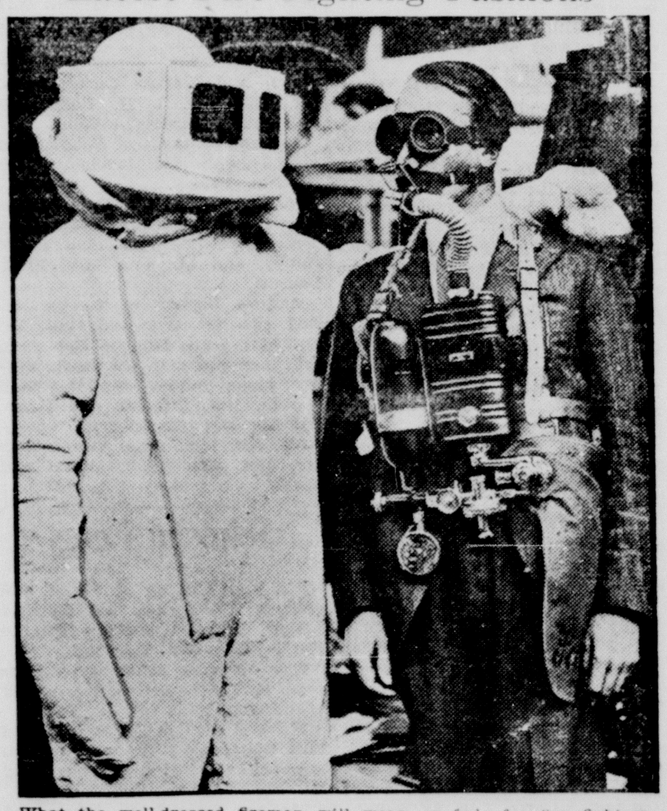
Latest Fire-Fighting Fashions



What the well-dressed fireman will wear, or fads for fire fighters, would be an appropriate title for this picture. The ghostly-looking figure on the left is a model displaying a fireproof asbestos suit, while the man on the right shows off a gas mask equipped with its own oxygen supply. This equipment was exhibited recently at a London show.
